

## **Mexican Train Dominoes Ocho**

Richard Hockenbrock

Mexican Train Dominoes number Ocho or eight was started in January 2022. The aim of MTD 8 was somewhat different from the other groups. My aim was to attract all those members who wanted to play MTD in other groups but did not have room in their houses to host. Therefore, all games will be played at the home of Richard Hockenbrock. Alternatively, all regular players will take a yearly turn hosting an event by providing snacks, a dessert at the break, paper plates and napkins, and glasses or plastic cups for refreshments. Richard will provide bottled water, but all guests are asked to bring their own wine and/or other liquid refreshments.

The group's intent is to also encourage SIR members and guests who have never played MTD to come to a training session and learn the basics of the game. The group currently has 16 regular players. Each month, two slots will be left open for a time to be filled by two possible people (single or couple) who might be interested in joining SIR. These two slots are open to both men and/or women. You can also ask to have your name(s) added to a substitute list where you could take your turn playing if a regular is not playing on a particular evening
