

Big Sir's Notes

Dennis Hallett

We are all saddened at the passing of **Stu Somerville**, our 2009 Big Sir. He made a unique contribution to our Branch which will never be forgotten. We will always remember his calming influence, dedication and above all his friendship.

Our Christmas luncheon was a great success and special thanks go to **Steve Dawkins** for arranging the details, and to **Dave Obera** for his excellent holiday music program.

I would like to thank those members of the Branch Executive Committee who are retiring from office: Directors **Ron Binder** and **Larry Mitchell**.

I also welcome our new BEC members: Assistant Secretary **Jim Meehan**, and Directors **Bob Johnston** and **Bob Lyman**.

Further, our 2010 Nominating Committee will benefit from the addition of **Bob Yolland**.

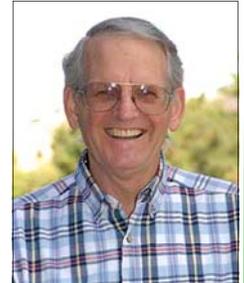

Our branch continues to face many challenges and will need every member's continued support to maintain and hopefully increase our level of enjoyment. I encourage you all to seek new members so that we remain a vibrant organization. Once your guest experiences the fun and friendship we share, I am sure they will want to be part of our Branch.

I wish you and your family a wonderful New Year.

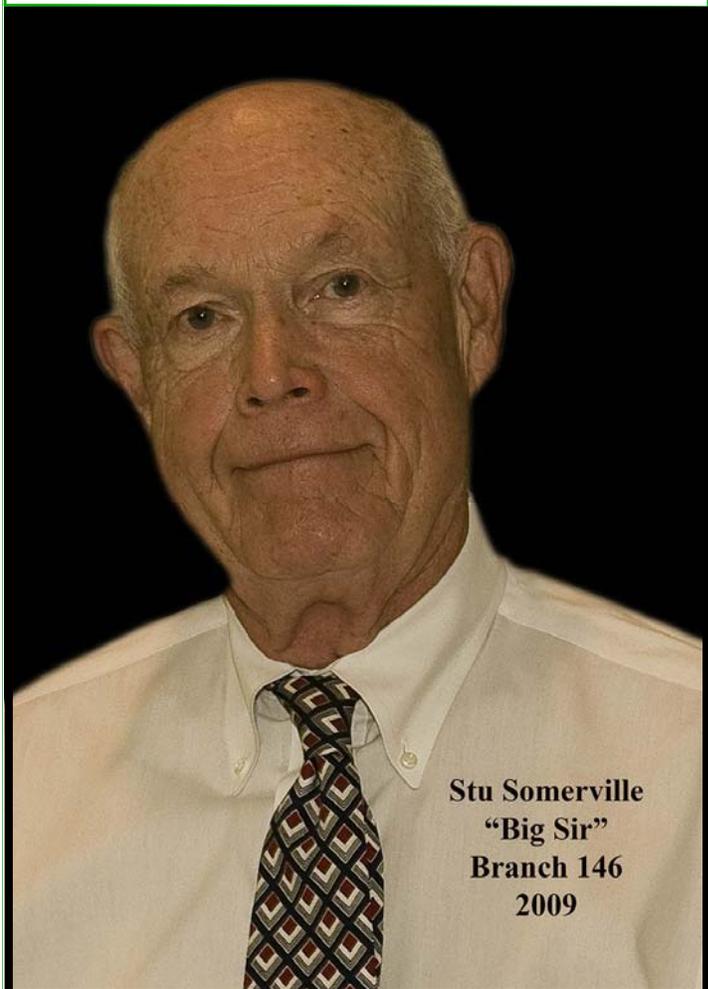

Dennis

Little Sir's Corner

Pete Gates

Duplicate Bridge

George Zunich

Our match is held each month on the Monday after the SIR Luncheon at various homes.

Bring your lunch.

In December, SIR **Jim Jackson** hosted 3 tables of duplicate bridge at his home.

In a close match, the results were as follows: **Jim Brown & Carl Johnson** tied for 1st Place with 30.5 points. **Jim Jackson** was in 3rd Place with 26.5 points.

The next match will be held on Monday January 18, 2010 at the home of **Bob Yolland**

Contact **George Zunich** 376-4439 for information. We welcome interested members.

Party Bridge

Fred Bolton

1st Monday at 10 am at various members' homes. Contact Fred Bolton for details. Bring a lunch.

We played four tables of bridge at the home of **Bob Donahue** on Dec. 7. First place went to **Bill Rees** with 6010 points, second to **Bob Yolland** with 5680 and third to **Carl Johnson**.

Our next game will be at the home of **Fred Bolton** on Monday, Jan. 4.

Couples Duplicate Bridge

Lo McCarley

Meet the 3rd Wednesday of each month starting at 7:00 pm at participants' homes. Couples play as partners.

Eight couples had a great time playing duplicate bridge on December 16th at **Bob and Janet Yolland's** home. But we sorely missed **Stu and Margot Somerville**. We appreciate **Fred Bolton** subbing for **Barbara Lundblade**. As for bridge results: **Jim and Allison Todhunter** took first place with 39 points. **Bob and Janet Yolland** took second (38 points), **Jim Brown and Fred Bolton** (37 points) placed third, and **Bill and Margaret Rees** finished in fourth place with 32 points. **Jim and Allison Todhunter** will host the next bridge on Wednesday, January 20th.

WELLNESS TIPS

From UC Berkeley Wellness Letter

This article is not intended to provide specific medical advice. That should be obtained from your physician.

• To lower your cholesterol, try flaxseeds. An analysis of 28 studies found that flaxseeds (typically 1 to 2 ounces a day) lower total and LDL ("bad") cholesterol modestly in people with high cholesterol. The effect is greatest in postmenopausal women and in those with higher cholesterol levels. Flaxseed oil had no effect at all.

• When you read food labels that boast about antioxidant content, don't get your hopes up. Scientists have developed a variety of tests to measure a substance's antioxidant capacity, but the "simplistic, one-dimensional" tests are of limited value in predicting antioxidant activity, concluded a recent article.

• To help keep your bones strong, get more vitamin K. According to a recent review, high doses of the vitamin (at least 200 micrograms from supplements) improved bone quality and reduced fracture risk in postmenopausal women.

• If you eat frozen meals, follow the cooking directions carefully. In some cases, the label advises using a conventional (not microwave) oven, plus a thermometer to check that the food reaches a certain internal temperature.

• If you buy ground beef, look for "extra lean" with the lowest percent fat. Labels on ground beef can be misleading. They typically give the percent fat or percent lean, by weight. Even extra-lean beef can be fatty. For example, 4 ounces of uncooked ground beef that is 15% fat has 17 grams of fat (much of it saturated), which supplies 63% of its 243 total calories.

• Here's a way to strengthen your forearm muscles, wrists, and grip, as well as increase flexibility. With one outstretched arm, hold a page of newspaper by a corner and crumble it up into a small ball as fast as you can using only that hand. Repeat a few times, several times a week, as part of your regular exercise routine. This can help in a variety of sports, from tennis to rock climbing, as well as in daily activities.

Couples Duplicate Bridge Too

We were deeply saddened by the loss of our dear friend and regular substitute **Stu Somerville**. He and **Margot** had even been scheduled to play this month. Our thoughts and prayers are with and for **Stu and Margot**.

Garden Club

Chuck Bobinecz

1st Thursday at 9:30 am at the Walnut Creek Presbyterian Church, 1801 Lacassie Ave., in the Room 203, unless otherwise announced.

As usual the Garden Club does not meet in January. Sir **Bob Yolland** has arranged for our next meeting in February at Heather Farms to learn about rose pruning (there might be donuts) and to get some hands on experience in rose pruning. Details will be in the next SIR Call. At the December meeting, the 2010 agenda was established. Our major field trip will be a bus trip to Filoli gardens.

Come Join. More people are involved in gardening than any other activity (well maybe except one). It is rated as one of the best exercises for the body. It is surprising how many forms of gardening that we do and how much we invest in time, money, etc. One of the main purposes of the garden club is to learn from each other, speakers, and field trips

ROMEO (Retired Old Men Eating Out) Malcolm Hendry

ROMEO (Retired Old Men Eating Out) will not meet in December, but we will reconvene January 21, 2010.

Poker Club #1 Frank McNamee

Santa Claus showed up a little early for **John Lewis, Frank McNamee, Bill Cammerer**, and guest **Rich Hanford** at Poker club #1's December 9th meeting at the home of **Bob White**. The little elves who contributed to their good fortune were **Howard Harvey, Bob White**, and guest **Don Martin**. We missed our regulars **Bob Frankland** (cataract surgery) and **Dan O'Sullivan** (cancerous ear trimming). We will meet at the **Bill Cammerer** residence on January 13th for our

Poker Club #4 Chuck Bobinecz

Sir **Frank Rockwell** enjoyed our company and lack of winning in 2009 and will start our first session in 2010. No poker session in December. Wait till next year.

Again poker jargon: Flop: (usually what I am) but in poker it is the first three community cards (that are dealt face up and can be used in each hand) in Hold'em and omaha and you thought Omaha was a city.

Poker Club #2 Al Zamolo

Poker Group 2 met a few days before Thanksgiving at **Jim Stedman's**. Players must have been thinking about all the good food they would be having soon and were very laid back. There were no big winners or losers. **Jim Brown** will be hosting our December session and we hope to have a more spirited session.

Poker Club #3 Siegfried Kaletis

Poker Club #3 did not have a meeting this month, but will be resume meeting next year.

Experience is what you get when you don't get what you wanted.

ACTIVITIES COORDINATOR

TERRY MARCHIONE

Branch activities continue to grow and that's a good thing. Couples golf is off to a roaring start and a new photography group is also underway. Two other groups are in the process of being formed—tennis and a couples barbecue group. The nature of these two groups will delay their start up until early spring.

If any of you newer members have an interest in a couples duplicate bridge group please let me know. The two groups currently operating are full. There is already a volunteer to organize this activity so don't worry about being recruited for that job.

The last survey we conducted indicated some interest in chess and biking but not quite enough to get a group started. If you are interested in either of these activities and have not so indicated, please get in touch with me and we'll see what we can do about getting them off the ground. Also, all five poker groups are pretty much filled so if any of you are interested let me know and we'll get a sixth group together.

Finally, if you have ideas for a new activity, please let me know. I can be contacted by phone 472-8850 or by email terrymarchione@yahoo.com

Letter to the Editor:

I am sure that some may have suggested this before but I would suggest that a blurb be put in the next bulletin concerning taking advantage of Life Line Screening where they check out your vascular system to see if anything might be wrong. You can call them at 1-800-478-1724 and get information on where the screening is being done locally. The cost is \$125-\$150 and well worth the money. I had it done about six years ago and found a major problem with my abdominal aorta. I had this repaired and it saved my life.

Away Golf
Jim Baldrige

Tuesday Golf
Ray Weisz

Due to travel and weather we did not offer Br 146 Away Golf events in November and December.

The two trips to Nueva Vallarta Mexico offered by SIR State Golf took place Nov 10 through Nov 18 and December 1 through December 9. Reviewing the results, I did not see any Br 146 members among the prize winners.

The State Golf Committee has sent out circulars announcing a tournament in Coeur d'Alene Idaho May 16 through May 21, 2010 and an event in Mesquite Nevada November 7 through November 12, 2010.

They have also scheduled Reno in June, the State Team Championship in August, Solvang in September, and the State Individual Championship in October. See www.sirstategolf.com for details.

Couples Golf continues to grow. **Terry Marchione** reports 21 couples have now signed up. This group usually plays the 4th Wednesday of each month with couples sharing the responsibility for getting tee times and choosing the format. The schedule for 1st quarter 2010 is January 27 (**DeVoe's**), February 24 (**Hallett's**) and March 31 (**Schwab's**). Contact **Terry Marchione** at terrymarchione@yahoo.com for details.

Jim Hanck continues to set up times for the 9 hole group that plays on Thursdays at Diablo Hills in Walnut Creek. **Jim** is looking for a replacement to set up times for the group. Contact **Jim Hanck** at jhanck@astound.net.

Looking ahead to 2010 Away Golf, as I explained in the December Call article, I am exploring another event at Silverado Country Club in April. I would be looking at the North course to avoid some of the back up we experienced last year on the south end. I am asking for an expression of interest at this time from any who would like to play and invite guests. Just shoot me an e-mail at jimjudy39@aol.com or call me at 925-689-9232.

Fishing Paul Dubow

4th Thursday at 8:30 am. at Diablo Creek Golf Course (Legends Grill). North Port Chicago Hwy

The cold water and the wind kept many of us off the water during the past four weeks, but those who ventured out between short breaks in the weather did well. **Carl Moyer** landed and released a 78 inch sturgeon while fishing with **Harry Sherinian**. **Harry** also boated a beautiful seven pound striped bass, which was not released. **Carl** made three more successful trips to the Delta, landing and releasing a 55 inch sturgeon on the first occasion and then keeping two nice stripers on the second trip. On the third trip, fishing with **Guy Brown**, a member of the Sacramento Area Fishing Group, he caught and released a 60 inch sturgeon. However, **Harry Sherinian** and **Terry Miller** were forced to flee the wintry blasts without any fish on another trip to the Delta. Shadow Cliffs Reservoir in Pleasanton proved to be a good place to escape the wind. **Harry** and **Carl** caught a nice limit of trout there up to 3 lbs. On another occasion, **Paul Dubow**, **Carl**, and **Carl's** daughter **Leah** drove out to Shadow Cliffs on a balmy day in December and landed 13 trout, again with the largest at three pounds.

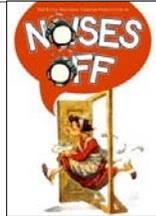

We will be very busy this winter with delta fishing for striped bass and sturgeon, trout fishing in our local lakes, and party boat trips for sturgeon, stripers, and other fish. If you haven't been fishing for awhile or if you would like to start out fishing, come down to our next meeting. You will be most welcome.

Our next meeting will be Thursday, January 28, at the Legend Sports Bar and Grill at the Diablo Creek Golf Course at 4050 Port Chicago Highway in Concord. The meeting starts at 8:30 am but you can pick up breakfast, beginning at 8 am. For further information, please contact **Paul Dubow** at 415-495-6308.

Theater Gary Schaub

What has been described as the funniest farce ever written will be the SIR 146 Theatre Party event on Thursday, April 15 at Leshar Arts Center in Walnut Creek.

“Noises Off” is the story of a hapless English acting troupe touring a production of “Nothing On.” What happens? Everything! Doors slam, human dalliances prevail, confusions galore, and (are you ready?) a plate of sardines goes flying! Of course, it’s all in fun. Center Repertory Company’s production of “Noises Off” at 8:00 p.m. on Thursday, April 15 is guaranteed to be a crowd pleaser.

The three act play begins with the audience facing the stage. By the second act, the audiences sees what’s really happening backstage during this performance.

If you think you’ll be ready for a hilarious night out on “tax day” then this is the play for you! Recently revived on Broadway (and in a film with Carol Burnett). “Noises Of” promises a laugh-filled evening.

Tickets are \$31 each, and space is limited. Deadline to order is March 19. Send your check, payable to “SIR 146” to Sir **Gary Schaub**, 1758 Candelerio Court, Walnut Creek 94598. If you have questions, call **Gary** at (925) 938-5454. Tickets will be distributed at the door of Leshar Center at 7:30 pm on April 15.

MEMBER RECRUITMENT AND RETENTION JACK CALLOWAY

Because of the high number of SIR member deaths in 2009, we had a membership drop which means we have a little catching-up to do in 2010. The Committee is busy making plans for 2010 including programs for both recruitment and retention.

Successful recruiting can only happen if you bring guests to the luncheons and they then decide to join Branch 146.

From our childhood we all remember the 3 R's. In 2010 our 3'R's will be RECRUIT-RECOGNIZE-REWARD. We intend to **Recognize** your efforts in **Recruiting** and sponsoring new members as well as **Rewarding** you for your interest in keeping our Branch strong and successful.
