

HouseBlend, an a cappella male quartet from Concord and Walnut Creek, entertained the SIR membership and their guests at the May 2015 Ladies Day Luncheon Gala

## Big Sir's Notes

Bill Holly

The May Ladies Day luncheon was an overwhelming success thanks to the careful planning and execution by **Steve Dawkins** with the able assistance of his lovely wife **Marna**. The 248 attendees filled up twenty-six tables. **Steve** has been planning the Ladies Day Luncheons as far back as I can remember, and he has gotten it down to a fine art.

Thanks to Little Sir **Walt Busenius** for arranging for the luncheon entertainment by the male a cappella quartet "**HouseBlend**". We received many favorable comments from the audience indicating that they really enjoyed that group. For those of you who were concerned about "Charlie", his "fate" is now known. He

will no longer need to “ride forever ‘neath the streets of” San Francisco because he was able to pay his BART fare and get off the train at the Powell Street station with the help of the entertainment contribution from Branch 146.

The good news is that phase one of the interior clubhouse renovations at Boundary Oak is finished. We shall have the remaining luncheons for 2015 on the second Thursday of the month. That means you will have to notify our luncheon chairman by the deadline of noon on the Friday before the Thursday luncheon if you are not able to attend or if you are planning on bringing a guest.

The theme for June is our annual colorful shirt competition. First prize is a free lunch. So, look into the dark recesses of your closet, or in the bargain sale racks for the most audacious looking, colorful shirt you can find and “vie for the prize”.

Our nominating committee consisting of **Doug Eisner**, **Terry Marchione** and **Jim Burk** have put together an outstanding slate of nominees for the 2016 officer and director positions. These will be published in the July newsletter and voted on during the August luncheon. Of course, we shall also accept nominations from the floor at the August luncheon.

During the next few months Little Sir **Walt Busenius** and I will be contacting all administrative chairmen to determine their interest in remaining in their positions for 2016. We already know that a few key positions need to be filled, so some of you may be contacted by either one of us to seek your assistance in managing our branch next year.

Finally, if you know someone who might be interested in joining our branch, bring him as a guest to our luncheon on Thursday, June 11th.

## Membership

### Ben Gleason

Because of the Ladies Day luncheon we had no BEC meeting this month and therefore did not induct any new members. Not to worry, we have candidates waiting in the wings. One active member resigned. We now have 276 active members (including our seven Honorary Life Members).

The boys of summer are playing America's favorite pastime, baseball but the NFL and pro football are never far from the spotlight and our attention to the draft just finished. Mini camps, and other attention seeking headlines are in the

news at all times.

Our June 11th luncheon speaker, Matt Maiocco, stays busy year-round keeping current on the comings and goings of the San Francisco 49ers as the beat reporter and insider for Comcast SportsNet Bay Area.

Matt is a Northern California success story. Born in rural Corning, CA and a journalism graduate from Humboldt State, he has covered the 49ers as a beat reporter since 1995 for the Argus, the Oakland Tribune, the Contra Costa Times, the Santa Rosa Press Democrat and now CSN SportsNet.

In addition to his website and TV reporting for Comcast SportsNet Bay Area, Matt provides updates through his "Instant 49ers blog" on Facebook and Twitter. He is featured weekly on 95.7, "The Game" as the 49ers insider and is a regular contributor to the "First Take" show on ESPN.

Matt is a three-time Pro Football Writers of America award winner and has written two books about the 49ers. He is going to share his wealth of insider information and stories and will strive to answer our questions.

We have over 40 activities and most are looking for new participants. Feel free to give **Jerry Kaplan**, our activity chairman, a call to help find an activity that meets your interest.

We hope to see you and a guest at June's luncheon. The summer months are a good time to invite a friend, a neighbor, or an acquaintance to one of our luncheon meetings. We are always looking for prospective new members.

Please remember, we have returned to the Clubhouse at Boundary Oak for June so the rest of our 2015 luncheons and our regular second Thursday of the month meeting date will be here.

## SIR 146 Hiking

**Rich Ahlf**

Our June hike will be at Huckleberry Botanic Regional Preserve. This will be our shortest hike to date (2.5miles). We will be hiking on a very narrow single track trail that does not have many level sections. Of all the hikes I've done this one rates in my top ten as one of the most beautiful hikes.

Huckleberry is a little oasis of manzanita barrens, scads of huckleberry bushes, and gorgeous woodlands of madrone, California bay, ferns, coast live oak, hazelnut, and currant. This is an arboretum-quality collection with an ever-changing palette of colors, textures, and taste. About half way through the hike we will arrive at a peak with views that range northwest to Round Top, one of the highest summits in the Oakland and Berkeley hills, and east to Mt Diablo, the highest peak in the East Bay

Directions: From Highway 24 just east of the Caldecott Tunnel, take the Fish Ranch Road and go uphill 1 mile to a junction with Skyline Blvd. Turn left and go 0.5 mile to a parking area, left. The trailhead is on the southeast side of parking area.

If you wish to carpool, meet at the turnoff at St Stevens Rd off HI-Way 24 at 9:30 am. Turn right and park on El Nino Rd where there is plenty of parking.

*Let me know if you wish to carpool.*

**Theatre

**Tennessee Williams' classic is SIR  
146 Theater Party on September  
11<sup>th</sup>**

Arguably one of the major classics of the American Theatre, *A Streetcar Named Desire*, has been scheduled for the next SIR 146 Theater Party. The Tennessee Williams drama, performed by Role Players Ensemble in Danville, is planned for Friday, September 11<sup>th</sup> at 8:00 p.m. at the Village Theater in downtown Danville.

*Streetcar* was awarded the Pulitzer Prize for Drama in 1948 after its Broadway debut starring Marlon Brando and Kim Hunter. It went on to become a blockbuster film in 1951, also starring Brando and actress Vivian Leigh. Any short list of finest American plays places *A Streetcar Named Desire*, alongside *Death of Salesman* and *A Long Days Journey into Night*.

*A Streetcar Named Desire* tells the story of a schoolteacher from Laurel, Mississippi, Blanche DuBois, who arrives at the New Orleans apartment of her sister Stella Kowalski and her husband Stanley. Following the death of their remaining relatives, Stella admits that she has lost *Belle Rive*, their ancestral home. The great magnetism between Stella and Stanley Kowalski is the centerpiece of the play. Brando's famous line "S-t-e-l-l-a! ..." helped make Brando famous.

A limited number of reserved tickets for the September 11<sup>th</sup> performance of *A Streetcar Named Desire* has been set aside for SIR 146 members and guests. Tickets are \$15.00 per person, and will be available until August 13<sup>th</sup> or until our allotment has been reached. Early reservation is encouraged.

Tickets will be distributed in the lobby of the Village Theatre, 233 Front Street, Danville beginning at 7:30 p.m. on September 11. Free parking is readily available in the area.

Reserve tickets with a check payable to SIR 146 and mailed to Sir **Gary Schaub**, 1400 Canyonwood Court, #8, Walnut Creek 94595. Questions? Call **Gary** at 925-938-5454.

## Fishing Report

**Paul Dubow**

Our members did quite a bit of traveling last month. The star was **Rich Fiscina** of Branch 146, who caught a dozen ono (also known as yahoo) during his Hawaii vacation. **Brad Hatcher** of Branch 146 also traveled to Hawaii and caught and released a 30 lb. skipjack on the Kona Coast.

**Don Mittlestadt** enjoyed a trip to Campeche, Mexico, where he caught and released a baby tarpon. **Paul Dubow** of Branch 146 joined seven friends in the Florida Keys to fish for tarpon. **Paul** did not get a single bite. But his friends caught and released five tarpon, ranging from 110 to 165 pounds. **Paul** also watched his boat-mate catch a 150 lb. nurse shark and a 30 lb. Atlantic sharp nosed shark. But it was not all for naught. He did manage to catch an Atlantic sharp nosed shark, also around 30 lbs. In addition, one morning the group fished for yellow-tailed snapper and caught about 80 fish. They kept just enough for a delicious lunch cooked for them at a local restaurant.

**Pete Gates** and **Paul Dubow** of Branch 146, along with **Dick Thomson, Ron Maciak, Mike Corker,** and **Carl Moyer** journeyed to New Hogan Reservoir in the Sierra foothills on a rainy day and caught eight stripers. **Paul** also picked up a good sized catfish.

**Ernie Wong** and **Ken Konzak** made two trips to Pyramid Lake in Nevada, taking **Carl Moyer** with them on the second trip. They caught and released a bevy of beautiful large Lahontan cutthroat trout there.

Locally, fishing in the Delta was very successful. **Joe Karg** landed a keeper sturgeon fishing from a party boat. **Harry Sherinian, Terry Miller, Mike Corker,** and **Carl Moyer** caught small stripers and sturgeon on one outing, and, on another outing **Carl Moyer** and **Gordon Linebaugh** caught some small stripers and rescued a baby goose that had swum out too far. **Tom Kostik** and **Mike Corker** caught lots of black bass farther up the Delta. Trout fishing was decent. **Carl Moyer** and **Paul King** caught three nice trout in San Pablo Reservoir, then **Carl** and **Ken Konzak** caught five rainbows on a rare day that a boat could be launched in Shadow Cliffs Reservoir.

Finally, **Carl Moyer** fished the ocean for rockfish and caught some on one of the few days so far this year that the ocean was calm. However, rockfish that **Carl** caught earlier this year were the main course at the semi-annual fish fry that was held at his home and attended by 24 members of the club.

## Photography Group

**Richard Hockenbrock**

After the Ladies Day Luncheon, I forgot to stop in at the library to get the key for the next day's photography meeting. As a result the attendees, **Jim Barry, Roy Hodgkinson,** and **Bill Holly** met at my house.

The assignment for this meeting was to photograph fast moving objects. Jim did the best job by shooting at 1/1000 speed catching close up shots of his dogs on Pismo Beach. I, on the other hand, had slow moving ships in Oakland's harbor. However, I did include some trailer scenes from Russell Crowe's movie "Master and Commander" that had loud noise in the ship's battles!

At the next meeting we will concentrate on portrait photography similar to the photos I take for the Sir Call.

### Future Meeting Schedule

July	No meeting
August 28 <sup>th</sup>	Switching to fourth Friday

## Acoustic Musicians

*Our Acoustic Musicians group welcomes all guitar, banjo, mandolin, and bass musicians where the objective is to enjoy our music. All skill levels are welcome. Spouses & singers are also encouraged to attend. Please bring your instrument and any songs you enjoy. If you have music events to share, please bring the info to the meeting. ## Mexican Train Dominoes

**Group DOS**

**Dick Woodman**

As previously reported, the April gathering of MTD2 was at **John** and **Nancy Pearl’s** home. It was a great success and the winners were: **Ismini MacLean**, guest of **Rich Ahlf**, won \$20 for first place, **Ron Plachy** won \$10 for second place, and **Rich Ahlf** won \$4 for third place. The May gathering will be at **Al** and **Helene Twyford’s** home. The tension is building as May is the last month of our first semi-annual pot. It is a tight contest for the first four months of the year. The cumulative average score so far this year shows **Dick Woodman** in first, **Rich Ahlf** in second, and **Ismini MacLean** in third place with several others close behind. It will be fun and the results of May and the first semi-annual pot will be announced in the July Sir Call. The winnings aren’t big money but the fun getting there is great. It is a good game and we welcome the potential of adding two additional MTD game groups in the near future.

## Cribbage

**John Pearl**

Ten of us descended on **Barney Meade’s** home on Wednesday, April 29<sup>th</sup> for more fun and games. First place honors (and money) went to **Art Ainscough**, with former Big Sir **Dennis Hallett** a very close second. Third and fourth places were occupied by **Barney Meade** and **Mike Whitaker** respectively, who nearly tied. We’ll try again in May 27<sup>th</sup>.

**Dan O'Sullivan**

Poker Group #1 met at the home of **Pete McNeill** on May 13<sup>th</sup>. The "BIG" winner was **Bill Cammerer** and **Frank McNamee**, who closed the gap but was a distant second. Our next gathering will be at the home of **Bill Cammerer** on June 10<sup>th</sup>.

## Old Money Poker Group 6

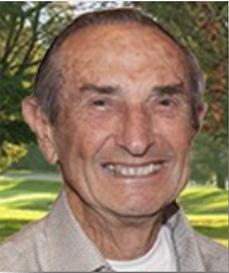

**Al Twyford**

We played Wednesday, May 13<sup>th</sup> at **Norm Baietti's** home in Walnut Creek. In attendance were **Frank Lucas, Harvey Oxman, Norm Baietti, Brad Hatcher, and Bob Larson**. **Al Twyford, Sid Landman, and Rich Alf** were otherwise occupied. **Frank** was the big winner with the grand sum of \$6 (over his buy-in). "5-card draw", "Chicago", and "Roll Yer Own" were the most called-for games, which we can understand, but "Omaha"? Where did that come from?

## Poker Group 2

**Al Zamolo**

**Jim Stedman** hosted our April meeting. There were small losers and winners in the group except for **Al Zamolo**, who had his largest winning ever in Poker Group 2. The May meeting was held at **Al Zamolo's** home on Monday, May 25<sup>th</sup>.

## Poker Club 4

**Chuck Bobinez**

Our May poker session was rescheduled from the fourth Monday in May to Wednesday May 27<sup>th</sup> due to the Memorial Day holiday. **Sir Rich Hanford** was the host.

Ever wonder why we have all the activities in our branch? The idea for

a poker group came about from an impromptu poker game with **Stu Somerville** and other SIR members while we were cruising down the Danube River. We discussed having a poker group in our branch. There are now six poker groups in the branch.

## Poker Group 5

**Bill Roberts**

*Poker Group 5 meets the Wednesday prior to the SIR luncheon. **Bill Roberts** is the permanent host for our event. The regular players going forward are **Bill Roberts, Bob Spellman, Charlie Koeber, Terry Marchione, Doug***

***Eisner, Ken Richter and Frank Rockwell.** Subs are sometimes needed due to travel and the like. Play begins at 4:00 pm and ends around 8:00 pm with time out for dinner.*

## Mexican Train Dominoes Group 1

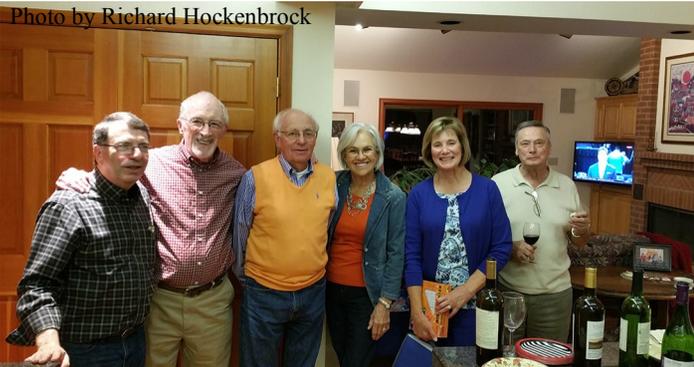

**Jerry Kaplan**

The May Mexican Train Dominoes Game Night was hosted on May 15<sup>th</sup> by Sir **Jim Stedman** and his wife **Barbara** at their beautiful home in Walnut Creek. A full contingent of 18 players attended and all three tables were full of hopeful MTD players. Competition is getting a little stiffer each month as the players are learning a few more strategies to employ in attempts to thwart their neighbors. Nonetheless, as **Terry Marchione** said, winning a round of MTD is really 80% on what tiles you draw, 10% your strategy, and 10% paying attention to what's going on at the table.

For the May get-together, **Sherry Hockenbrock** was the big winner (she came in second last month), with Sir **Rob Melrose** taking second place. Our host that evening, **Jim Stedman**, won back his \$3.00 entry fee, plus a dollar!

The big winner in the first half of 2015 semi-annual play (based on five months) was **Sherry Hockenbrock**, the wife of our hardworking SIR Call editor, **Richard**. **Sherry** collected \$46.00 for her efforts. Sir **Terry Marchione** finished second barely edging out Sir **Rob Melrose**, with an average of 18.38 to 18.48. A similar award will be made for the second half of the year, starting in June and ending in November.

Three retirees, each with a hearing loss, were taking a walk one fine March day.

One remarked to the other, "Windy, ain't it?"

"No," the second man replied, "It's Thursday."

And the third man chimed in, "So am I. Let's have a coke."

## Cooking II

**Bob Yolland**

The May Cooking II luncheon was hosted by **Dennis Hallett** with only half of the members in attendance due to family summertime commitments.

The luncheon started with a selection of cheeses including gouda, bleu, extra sharp and chili flavored smoked cheddars. In addition, there was a crab and bacon dip.

The main course consisted of asparagus spears wrapped in ham with a cream sauce of shrimp and white wine plus new potatoes. This was accompanied by a sweet spinach salad which included fresh spinach leaves, mandarin oranges, cherry tomatoes and mushrooms with a special sweet dressing.

For dessert we enjoyed a chocolate and fruit trifle consisting of devil's food cake, whipping cream, strawberries, raspberries, and kiwifruit.

The luncheon conversation continued until the wine ran out. Then everyone returned home for a short nap !! The next event will be hosted by **Bob Yolland** on Monday June 8<sup>th</sup>, 2015.

## Sunshine Report

**John Pearl**

Let us keep the following Sirs in our thoughts and prayers during June. We look forward to their continued healing and return to good health.

Please try to contact a sick Sir to offer support and encouragement during his illness. A friendly call is usually welcome. Cards and letters are always appreciated. Also, please take a minute to sign the get-well cards that are across from the sign-in tables at our monthly meetings.

## Couples Dining Out

### Bruce Borgman

The gourmand of Branch 146 enjoyed a night out at reputedly the best Thai restaurant in the East Bay this last May 18 – we went to Amarin in Lafayette, which was recommended by **Colin Holland** and

**Bill Klein**. There were a total of 42 diners, with one couple forgetting that it was on Monday! But, the restaurant packed up a to-go dinner with very generous portions which was hand delivered to the forgetful couple. Maybe not such a bad deal – a great meal in the comfort of your own house! But, really – the best part of our gathering is not just the food, but the camaraderie and socializing of our fine group.

We took over the entire restaurant and the restaurant cleared out the center of the place for our cocktail hour. We then enjoyed the fine Thai cuisine – starting with some appetizers, a unique coconut lemongrass chicken soup, three entrees, and finishing with fried bananas and coconut ice cream for dessert. A good time was had by all.

We will be searching for a restaurant for our next Couples Dining Out event in July – the 20<sup>th</sup> looks good right now – but will depend on the restaurant. A number of suggestions have been made, but you can always contact **Bruce** to give him your suggestion of a must-try restaurant. We had a number of first timers at our last event – if you've not joined us – put it on your calendar for an enjoyable evening out.

## Bowling

### Larry Mitchell

The winter bowling league is over with **Jim Adams** and **Larry Mitchell** taking first place. Well, actually, it was **Jim** who got the job done by himself because **Larry** did not show up. For the information of non-bowlers, this is possible because

the absent bowlers average is used.

The short summer league started two weeks ago with 7 teams. This causes a problem because one team must bowl with no opposition. We are therefore looking for two more bowlers to form another team. No experience necessary! Women are welcome. Join us now and beat the rush. Call me at 925-798-5440 for more information.

## Book Group

### Chuck Campbell

The new Book Group had its first meeting on April 20<sup>th</sup> at **Chuck Campbell's** house. Attending were **Peter Gates, Paul Dubow, and Walt Busenius**. We discussed the Bill O'Reilly book "Killing Patton". We all agreed that Patton was an incredible

field commander but O'Reilly's conspiracy theory was a stretch; however, there was insufficient evidence to prove or disprove the idea.

For the next read the Book Group will select one of the following :

- "The Bully Pulpit" by Kerns Goodwin
- "Wild" by Cheryl Strayed
- "Phantom" by Jo Nesbo

Anyone interested in joining the group should contact **Chuck Campbell** [charmcam2@att.net](mailto:charmcam2@att.net)

## Lunch and Wine

Syd Whalen

*The LAW cooking group meets on the 3rd Wednesday of each month at a different member's home with one member responsible for preparing the menu for the rest of the group.*

*We gather at 11:00 am for good conversation, appetizers and wine followed by lunch.*

A recent study found the average golfer walks about 900 miles a year. Another study found golfers drink, on average, 22 gallons of alcohol a year.

That means, on average, golfers get about 41 miles to the gallon. Kind of makes you proud.

I almost feel like a hybrid.

It was May 5<sup>th</sup>, right after the Kentucky Derby, when all the regulars showed up at **Dick and Christy DeVoe's**. **John and Linda Boyan** overcame any distractions created by the Warriors game showing on the tube to show (3rd, 2730), although their scores declined as the game progressed without the Warriors catching up. **Dave and Joan Pierce** (3180) placed (2nd) by a length. The hosts (4150) leapt out of the gate and scored 2860 on the first two rounds to lead by 10 lengths down the back stretch and held on coming home for a comfortable win, even though **Dick** was playing one-handed. The bride was escorted down the aisle. When she reached the altar, the groom was standing there with his golf bag and clubs at his side.

She said: "What are your golf clubs doing here?" He looked her right in the eye and said, "This isn't going to take all day, is it?"

## Table Pool

**Bill Weinberg**

*We meet every Monday at 11:30 am at Masse's, 2721 North Main in Walnut Creek. No advance notice is necessary. Just show up and play. Cost is \$5 for as long as you want to play. This is a special rate that Masses gives SIR members. You can also play during the day, at other times, for the same \$5. Just tell them you're a member of SIR. We play mostly two man teams of eight ball, or a unique three-player game, called "Crazy Eights", depending on the number of participants. We usually play about 2 hours but not everyone stays for the final curtain. All Sirs in Area 2 are welcome.*

## GOLF

### Ed Marlovits

*Golf is one of our most popular activities with over 100 registered golfers. We are fortunate to have a large assortment of venues and formats. We play Tuesdays at Boundary Oak. Players are randomly paired and starting tee times are emailed to each player. In addition to regular stroke play, we have many Tuesday tournaments specifically set up for our players. In the summer we also have "away golf" at nearby courses and State SIR Golf offers numerous other fun events at interesting courses.*

*Since we have so much going on, we have found it necessary to publish a weekly golf email (GEM) outlining upcoming events and results from past events. All of our golfers receive GEMs. If you would like to be included in the distribution, please email us at [sir146golf@gmail.com](mailto:sir146golf@gmail.com).*

## Nine Hole Golf Group

### Verner Laursen

*The SIR 146 golf group tees off at 9:30 am at the Diablo Hills Golf Course on most Thursdays. The exceptions are the 2<sup>nd</sup> Thursday when we normally go to the SIR luncheon.*

*If you are interested let me know and I will put you on my list. On Monday I will send out an email asking who is coming for golf, who is walking and who plans to stay for lunch? On Wednesday I will send out an email setting forth the pairings for Thursday morning. Thursday morning there may be adjustments based on who did or did not show up. The lunch, most of the time, is better than our golf game. [vlaursen@astound.net](mailto:vlaursen@astound.net)*

*If you need help with lining up your putts, look for the app, [Breakmeter](#), for your phone.*

We enjoy the awards session and socializing after every tournament.*

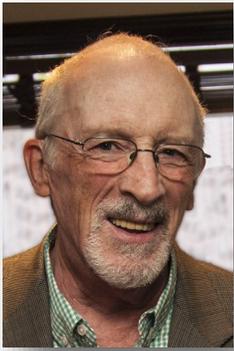

*We have room for new members so please contact **Paul Masta** if you are interested in joining the group. 925-933-3612 or [pamasta03@yahoo.com](mailto:pamasta03@yahoo.com).*

## Mexican Train Dominoes Group 3 Jeff Baily

Mexican Train Dominoes 3 pulled out of the station on May 22<sup>nd</sup> at the home of **Jeff and Alicia Baily**. Experienced Mexican Train engineers, **Jerry and Susan Kaplan** and **Bruce and Sue Borgman** oversaw the other less experienced train crews making sure no one derailed.

At the table 1, **Jim Baldrige, Sue Borgman, and Jeff Baily**, watched in awe as **Marian Flosi** kept full throttle into the turns and came out the table winner. At table 2, **Susan Kaplan, Sharon Varner, Alicia Baily, Steve Siljestrom, Bruce Borgman**, stoked their locomotives as newcomer and first time train driver, **Larry Brown** demonstrated unerring skill passing slower trains (some on the same track yet!) in taking his train into the winners' circle.

At table 3, **Jerry Kaplan, Mike Varner, Linda Brown, Linda Siljestrom** and **Tom Flosi**, tightened their seatbelts as **Judy Baldrige** blasted through two train depots without touching the brakes to take honors at the table.

A lot of smiles and meeting new friends and a commitment by every player to stay in MTD3 and all look forward to the next meeting on July the 24<sup>th</sup>.

## SongSirs Bruce Borgman

On Friday, May 22<sup>nd</sup> the SongSirs performed to an appreciative audience at the Walnut Creek Senior Center. There were 60 to 70 folks in the audience, and several of the SongSirs wives also wanted to see what we'd been up to lately. We started shortly after noon and performed the Academy Award songs we had been practicing for several months. **Harry Tutton** had prepared an interesting narrative describing the movie or the details of the songs. Sometimes the movie was not well known, but the song, which received the Academy Award was always memorable. The songs included "Call me Irresponsible", "Days of Wine and Roses", "All the Way" – Frank Sinatra's signature song, "Three Coins in the Fountain", "Over the Rainbow", "Mona Lisa", "When You Wish Upon a Star" and several others. The quartet sang "Let me Call You Sweetheart" and we finished with "Thanks for the Memories", singing both the original lyrics, and then our SIR version. All the songs were well received with much applause. Below is a picture of us performing.

A number of our SongSirs were off traveling so we had a slightly smaller group, but the remaining faithful members sang with no less enthusiasm. We will be working on a summer repertoire. Again, we practice at Walnut Creek Presbyterian Church every first and third Wednesday and any of you closet or shower crooners are invited to join us for a fun time.
