

Big Sir's Notes

Jim Stedman

Spring is here and May is the month of our Ladies Day luncheon. We are looking forward to a festive occasion. Please get your applications in. There is plenty of room available at the time of this writing, but don't delay. The application form is in this issue of

the SIR Call.

New members **Eugene Schulting, John Rubiales** and **Joe Fuchs** were introduced at the April luncheon by their sponsors, **Al Meier, Rich Colombo** and **Bob Hutfliess**, respectively. We look forward to getting to know you and invite you to take advantage of the activities and events that are offered for your enjoyment.

From the sound of the chatter and from the favorable comments I heard, the April "Getting to know you" day was a success. Thanks to **Howard Harvey** for coordinating this event. Everyone had a seat where they could meet new men and put names with faces. We all benefit from knowing more of our fellow members.

As the weather warms up we think about getting more active. It's the time of year to start something new. If you are interested in an activity that Branch 146 could add please call **Dick DeVoe**, our Activities Coordinator, at 932-5546. He will help you get it started.

Magician Rudy Adamek

Cribbage

Al Tufo

Cribbage was hosted by Sir **Dan Meckfessel**. There were only four of us to start so we were able to play one tournament. The "Dublin Kid"

Larry Reilly came in first with **Dan Meckfessel** taking second. Then the door bell rang and in walked the "I haven't played in 200 years man", **John Pearl**. He took us poor Mortals to task and beat us into submission by winning the next two tournaments. The "Italian Stallion" managed to come in second in the next tournament, **Dan Meckfessel** took second in the other one. We are going to check the Egyptian scriptures of the Pharaohs to see if **John** played with them before joining our club? The next get together will be hosted by **Barney Meade** May.

CIAO TUFO

Little Sir's Corner

Jeff Baily

The entertainment for our May Ladies Day will be a "Ladies, Name That Tune" game played for real prizes. The show will be produced, directed and played by our pianist, **Dave Obera** and our drummer, **Barney Meade**. So Ladies sharpen up on those oldies from the 50's and beyond!

Duplicate Bridge **George Zunich**

Our match is held each month on the Monday after the SIR Luncheon at various homes. Bring your lunch.

On April 16th, Sir **Harry Dillon** hosted four tables of Duplicate Bridge at his home.

The results were as follows: **Rich Ahlf** took 1st Place with 45.5 points. **John Demos** came in 2nd with 41 points. **Lynn Freeman** was in 3rd with 39.5 points and **Harry Dillon** 4th Place with 38.5 points.

The next match will be held on May 14th.

Contact **George Zunich** @ 376-4439 for information. We welcome interested members.

Garden Club

Chuck Bobinecz

1st Thursday at 9:30 am at the Walnut Creek Presbyterian Church, 1801 Lacassie Ave., in the Multipurpose Room, unless otherwise announced.

Our May 3rd meeting at 9:30 will be held at the Navlet nursery in Pleasant Hill. Sir **Ron Morrison** has arranged for one of their experts to give a talk on fertilizer. This is no B.S. It is a complex topic. What kinds? What ratios? what purpose? When? etc.

Garden tip of the month: Did you tip-toe through the tulips this spring or just get a stubby little plant or no growth at all? You have to know your microclimate. When the winter rains trigger the bulb to grow, the temperatures must be below 48 degrees for the next 13 to 21 weeks. If you're not in that climate range, save your time and money. Plant nurseries will sell bulbs or plants that are not for your microclimate.

Ron DeGolia & Bill Hansen

Thru conversation at a SIR meeting they discovered they were cousins (Six generations back) from Nantucket Massachusetts. Can't you see the resemblance?

Bowling

Larry Mitchell

The Branch 146 "Dave Valadao Annual Memorial Bowling Tournament" was held March 19, 21 and 22 with about 180 bowlers from Area 2 participating. Some of the Branch 146 bowlers with good scores in the singles event (in the money!) are: **Jim Adams, Ray Weisz, and Mitch Mitchell**. Congratulations guys!

The SIR Winter league is now completed and the summer league will start May 2. A pre-bowling meeting will be held at 9:30 AM on that day, at Diablo Lanes, to sort out teams and to set rules, elect officers, etc. Bowling will start at 10:00 AM. For new bowlers this is an excellent time to start. No experience is necessary. Please join us.

Area 2 Computers and Technology Group

Phil Goff, Chairman, 831-3692, philgoff@yahoo.com

Dick Curry, Asst. Chairman, 376-5541, racorinda@pacbell.net

Thursday, May 17 – Are You Thinking About Buying a Laptop Computer? Which One is the Best for You? **Dean Steichen** of Branch 8 will present information to guide you through the process. He will outline the key factors to consider and help you match your selection to your personal needs. He will discuss issues such as transportability, keyboards, screen size, and cost. Armed with Dean's information, you will be a much better informed purchaser (and probably save some money).

Following Dean's presentation, **Dick Curry** will lead an informative Computer Q&A session.

Come join us and spend some time learning and talking about your computer usage.

Whether you are a beginner or a seasoned user, we try to offer something for everyone. We serve coffee and pastries and all SIR members and their guests are welcome.

Meetings of the Area 2 Computer and Technology Group are held the 3rd Thursday of each month (except June and December) from 9:30 to 11:30 a.m., at the Social Hall of the Walnut Creek United Methodist Church, 1543 Sunnyvale Ave. (off N. Main, one block north of the Treat/Geary/N. Main intersection).

BUZZ KILL

Your a.m. java jolt really starts the blood pumping, but drinking 3 cups of coffee or more each day could cause heart trouble. University of Athens researchers measured coffee consumption and aortic stiffness and found that caffeine junkies displayed twice as many signs of abnormal arterial pressure as their less-caffeinated counterparts. "Caffeine may interfere with the metabolism of adenosine, a substance that relaxes arteries," says **Charalambos Vlachopoulos**, Ph.D. Limit yourself to 2 cups a day, he says. Better still, fill half your mug with decaf, then top it off with regular.

THE RIGHT STEP

There's a right way---and a wrong way---to climb stairs. Most people put a foot on the first step, lean forward on their toes, and lift the other foot off the ground to advance to the next step. Wrong! Keep walking this way and you'll have knee problems.

Take the right step: Stand straight and push off your instep, not your toes, using the larger hip and thigh muscles to lift you to the next level. As these muscles become more accustomed to being used, they will become stronger and more supportive, and it will be easier for you to climb stairs.

WHIPLASH

You buckle your seat belt, but do you ever check the position of your headrest? It's there to prevent whiplash. But to do its job it must be set at the correct height.

When sitting in your seat, the back of your head should make contact with the bottom half of the headrest. It shouldn't be so high, however, that your head touches the metal post that supports it.

Cooking Dave Johnson

1st Monday at various members' homes.

Barney Meade provided one of his authentic Asian meals for us, in April, and he insisted that we remove our shoes before entering the house. Soon, however, the intensity of the atmosphere and a gathering of cats and other small animals, on the front porch, required that we put on our shoes, again. The meal began with a mixed green salad that included thin slices of roast beef and an Oriental dressing. The entrée was an Oriental frittata layered over a substantial noodle and water chestnut pancake that had been skillet-fried. M-m-m! Dessert was orange slices, marinated in Triple Sec and served with pecan shortbread cookies. After a serving of his homemade limoncello, Barney was acclaimed "Chef of the Month." Next month, we meet at Sir **Dave Johnson's**.

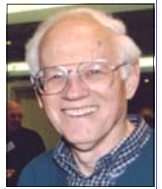

Theatre Bill Hansen
