Big Sir's Notes

On September 22, **Don Nunn**, **Ray Kan** and I met with **Gerry Blake**, to discuss food concerns previously expressed to me and those enunciated in the returned surveys. The responding members were very clear in that they had little, if any, quarrel with the facilities or with the fish entrees. The major complaint was the meat (beef) entrees and that is where we concentrated our focus. **Gerry Blake** was courteous, cordial and listened attentively to our concerns and we were pleased with his cooperative attitude. The following major points were discussed and oral agreement/consensus reached. 1. **Gerry** acknowledged that the meat quality is mediocre and needs improvement. He assured us that he would speak to his chef regarding this and make a serious effort to improve it. 2. He agreed to meat (not necessarily beef) and fish dishes for the rest of this year and all of next year. 3. A menu has been prepared for next year and will be submitted to the Luncheon chair and the Big Sir for approval. They will then respond to **Blake** regarding changes desired. 4. Chits will not always say beef and fish but will more accurately reflect the meat and fish menu. If the meat is not beef, the chit will not say that it is. 5. And, good news, **Gerry Blake** has committed to the same prices next year for both the luncheon and drinks. There is an old saying that says "the proof of the pudding is in the eating". We need to monitor this and make sure **Mr. Blake** follows through with his commitment next year.

I'd like to thank **Don Nunn** for his excellent work with the survey and also, the highly successful dinner dance. Also, thanks to **Ray Kan** for his valuable input. Finally, welcome to our new members, **Mike Cavallo**, **Frank Fries** and **Allen Johnson**.

We invite you to become involved.

Little Sir's Corner

Guest speaker for the November 11 Luncheon will be Commander **James D. Di Matteo** USNR, not to be confused with Commander **Domenic Di Matteo** USN

(Retired), a SIR 146 member. He will speak about the status of United States Navy Air Component of today.

Know Your SIR

Otto Wilson

I was born on March 5, 1931 in Cleveland Ohio 'cause I wanted to be near my mother. It was the depression and my dad lost his job with Standard Oil. We moved to Harlem Springs, Ohio, a small country town with one store, a post office and a barber shop. We

eventually moved above the store. The water came from a cistern. We had gas lights and the outhouse was on the hill above the house. We lived there until I started high school. We moved to a nearby town called Carrolton, about 3500 population. My high school class had 70 students. In 1950 I attended Case Western Reserve University in Cleveland and that term was interrupted by four years in the Air Force. All my buddies were sent to Korea but I went to France saving Paris from being invaded by the Russians. Upon my return from France, I was sent to Parks Air Force Base in Pleasanton, CA. I met a young girl named **Roberta** who was a student nurse at Kaiser. After my discharge I returned to school at Case Western Reserve. **Roberta** and I were married the next summer and lived in Cleveland until I finished my education. We returned to California where I took a job as branch manager of a Sherwin Williams store in Sunnyvale. I later joined the DeVilbiss Co., as a sales representative for 12 years. In 1973 a partner and I formed a company in San Leandro called Fischer Industrial Finishing Systems and in 1997 we sold that company and found a new word called retirement. **Roberta** and I have two children, **Cathy** and **Scot**, and five grandchildren. We love to travel and enjoy reading, hiking and computers. I enjoy the wonderful membership in SIR and am active in bowling, pool, the Walking Group and Bocce Ball.

Bowling

Gus Edwards

Week seven finds Dave's Dudes (one of the two pure Branch 146 teams) 2.5 points out of first place. The major Dude, **Larry Mitchell**, is one of the top five bowlers as far as averages are concerned. Thanks to **Dick Joyce** for his work as Bowling chairman.

Gus is replacing Dick as Bowling Chair..ed

Area 2 Computer Group

DICK CURRY 376-5541 racorinda@pacbell.net

FLOYD SKELTON 838-2515 f.skelton@att.net

Meet the 3rd Thursday of each month 9:30 to 11:30 a.m. at the Social Hall of the Walnut Creek United Methodist Church, 1543 Sunnyvale Ave. (off N. Main, one block north of the Treat/Geary/N. Main intersection).

Our next meeting will be held November 18. At this meeting we will have a presentation on how to set up a wireless home networking system - how to effortlessly connect your wife and your computer to the internet and to make them safe and secure. We'll also have time to talk, hopefully resolve your computer problems and discuss some interesting web sites.

All SIR members are invited to attend these informative sessions. For more information please visit our web site at: <http://home.alt.net/~area2computer/>.

Duplicate Bridge **Bob Donahue**

Monday following the monthly SIR luncheon at 10 am hosted by different members. Bring lunch.

SIR **Dick Johnson** hosted four tables of duplicate bridge in October. **Jim Brown** was first with 49.5 points. **Bill Snyder** was second with 49 points and **Jim Jackson** was third with 43 points. **Lo Mc Carley** was fourth with 41 points. The next meeting is scheduled for Monday, November 15. Contact **Bob Donahue** 376-4527.

Couples Duplicate Bridge **Lo McCarley**

Meet the 3rd Wednesday of each month starting at 7:00 pm at participants' homes. Couples play as partners.

Bob and **Janet Yolland** hosted eight couples for SIR Couples Duplicate Bridge. **Bill** and **Margaret Rees** took first place with 39 points, **Carl** and **Anne Johnson** came in second with 36 points, **Bob** and **Janet Yolland** finished in third place with 35 points, and **Jim** and **Allison Todhunter** came in fourth with 34 points. The next meeting will be at **Jim** and **Allison Todhunter's** on Wednesday, November 17th.

Cooking Too

Rich Hanford

2nd Monday at various members' homes.

Stu Somerville pours while **Rich Hanford** and **Don Martin** solve worldly problems at the home of **Jeff Baily**.

Jeff prepared a delicious lunch of green bean salad and barbecued tri-tips topped off with pumpkin pie dessert.

Cooking

Don Nunn

1st Monday at various members' homes.

The Cooking group has met twice since our last report. We met for our wine bottling barbecue at the home of Sir **Warren Boero** on the 23rd of September. We bottled Cabernet Sauvignon and dined on barbecued leg of lamb accompanied by special dishes that were brought by all members and wives. It was the highlight of our year. The food was terrific and the wine was quite good. All the members had wine labeled with their photographs. For our meeting in October, we dined in Italian style at the home of Sir **Gene Diana**, starting with some vino from Markham winery. It was delicious. That was followed with an extraordinary Italian feast. Our dance on October 6 was a spectacular success. We were sold out once again and everyone seemed to enjoy our band and singer. You really ought to see the Sirs and their lovely brides swing and sway. We will follow up with our next dance planned for March 2, 2005. We will announce it in January and take reservations for SIR members only for 30 days. We will then open it to waiting list members. Come on out and have some fun.

Order your See's Candy. 1 pound certificate is \$9.85. Make your check payable to SIR Branch #146 and send it to **Bob Spellman** 3524 Perada Dr. Walnut Creek, CA. 94598 along with a #10 self addressed, stamped envelope.

Theatre

Bill Hansen

Its fantastic! Its spectacular! It's the theatre trip to NY, the glamour of Broadway. We will not only see the shows Little Women, Reckless and the award-winning Wicked but we will also visit backstage. We will be staying at the Renaissance Times Square Hotel who will serve us four full breakfasts. We will also dine at the Tavern on the Green and the Center Stage Café. It promises to be the trip of the decade, don't miss it. Call me at 939-4951 not the number on the flyer or check Travel Opportunities on page 5 of this issue.

Cribbage

Al Tufo

2nd Wednesday at 12:30 hosted by different members.

Hi, fellow Sirs. I regret that there is nothing to report this month about the Cribbage Club activities. Due to unforeseen issues we had to cancel our tournaments. They have been rescheduled for next month. Best to all...
CIAO Italian Stallion AKA **Al Tufo**

Garden Club

Chuck Bobinecz

1st Thursday at 9:30 am at Alamo Safeway room unless otherwise announced.

Our November Garden Club meeting (9:30 am at the Alamo Safeway conference room) will have the honor of a presentation by **Jack Calloway**. His topic will cover such areas as sex, food and beer and about some of the slimy ones we have to deal with. Garden tip of the month: Tomatoes rarely all ripen before the frost in fall. Pick the fruits while green and store with a ripe tomato or banana that give off ethylene, which helps ripening.

Away Golf

Jim Baldrige

Because of the holidays and travel we do not arrange Away Golf events in November and December. But, you can enjoy some good individual golf deals by checking local newspapers sports sections on Thursdays.

Looking ahead, keep Monday April 4, 2005 open for our Annual Invitational event at Silverado Country Club/Napa. We have a 144 player noon shotgun start on the South (members') Course. Cost will be \$45 for SIR members competing in the prize fund and \$43 for guests (price includes green fee and cart). This is a great outing for SIR couples and guests and a great deal considering the regular rate is \$150.

Health Matters Physical and Mental

SEA SALT

Unrefined sea salt, made by evaporating sea water, contains small amounts of magnesium, sulphur, and calcium. But it is never sold that way. By the time it is refined, cleaned and processed into a retail product, it is virtually identical to ordinary table salt, though much more expensive. While it is often sold in health food stores, there are no nutritional advantages of sea salt over regular salt. In fact, sea salt does not contain an essential mineral that is added to table salt—iodine.

ANTI-AGING VITAMINS

Vitamin C boosts the immune function, helps the body fight viruses, bacteria and allergens, and promotes re-growth and repair of body tissue. It helps prevent life-threatening ailments, including heart disease, diabetes, and cancer. So says **Jamison Starbuck**, ND, a naturopathic physician in family practice and a lecturer at the University of Montana, in Missoula

Dr. Starbuck calls vitamin C her “absolute favorite anti-aging medicine.” She recommends 1,500 mg per day: 500 with each meal. She says, however, do not take vitamin C if you have high levels of iron in your blood, as vitamin C increases iron absorption.

GENERIC DRUGS

About 40 percent of all prescriptions written are for generic drugs. But scientists say that they could be as high as 75 percent. Generic drugs are copies of brand name drugs. The active ingredients, as well as strengths and dosages are the same. The color and fillers may be different, but generic drugs are identical in all important aspects to the brand name ones. Generic drugs are 30 to 50 percent less expensive than brand name drugs. Talk to your doctor about generic versions of prescriptions drugs you are taking. There may be a reason why your doctor prefers to prescribe brand name versions. On the other hand, there may not be.

SERVING SIZES

Serving sizes are getting larger. There are three suggestions from the Center for Science in the Public Interest: Order a “small”... Share with a friend... Put half in a doggie bag *before* you start eating.

NEW CAR? THINK SILVER

If you're planning to buy a new car, silver, it turns out, is the safest color. According to studies in New Zealand, occupants of silver colored cars had half the risk of serious injury from crashes compared to white, blue, red or yellow. Silver cars are the most visible; black and brown ones are the least visible.

Letters to the Editor

Dear Editor:

We do have such slow play during our Tuesday golf outings. How about a slow play area of the Call with the names of those who are always slow? Maybe that would help increase the speed of play. **Don Nunn**

Some questions on the recent survey allude to spousal involvement in Branch activities and ask for spousal input. Our Branch has already become a social club with too much female participation. Let's retain our organization wherein one can join more often in fellowship with other men only. **John Denham**

A man was telling his neighbor, "I just bought a new hearing aid. It cost me four thousand dollars, but it's state of the art. It's perfect." "Really," answered the neighbor. "What kind is it?" "Twelve thirty."

Sirs & Spouses get out and have fun

A group of **E Pluribus Unim?** East Bay wine lovers attended the annual Gold Rush Street Faire in Murphy, CA. following a golf outing at Greenhorn Creek. A team of **Rosalie Somerville** entered the XI annual Grape Stomp held in conjunction with the Gold Rush Faire. Over 100 teams competed, stomping grapes to determine who could get the most juice out of 15 pounds of grapes in three minutes. While our team did not win the stomp, they did take first place in the costume contest. **Antoinette Milano** gets credit for designing the winning costumes. **Lady Rosalie** said, "This was our first year; we now know how to win the stomp." **Sir Stu** said, "We expect to have more competition from our East Bay friends next year, but we will be ready."
