

Big Sir's Notes Stu Somerville

It is hard to believe the year is almost over with Thanksgiving and Christmas just around the corner. It has been a very good year for our branch. We have a lot of new members and have expanded the activities we offer. New members, with the help of their sponsors, are encouraged to get involved with activities and with the many committees we offer.

For me, the year is just about over. It has been a very rewarding experience and one I have thoroughly enjoyed. The BEC and the committee chairmen along with the members who volunteer to help them are really what makes the branch work. I cannot praise or thank our chairmen and members enough for all the help and support they have given me.

As usual we will be producing a member directory at the end of the year. To help with the task, we are asking members to provide changes to their listing e.g. address, telephone, email, etc. as soon as possible to avoid the rush. Send your changes to our Membership Chairman **Dale Hertweck** at sahertweck@yahoo.com.

Photography Group

The photography group will have its first meeting on November 18th at 7:00pm at the home of **Rich Ahlf**.

Please contact **Rich** at 925-672 2514 or by e-mail (richandshirley@sbcglobal.net) if you intend on being there.

Little Sir's Corner Dennis Hallett

Our November – Veterans Day-speaker will be **Allan Cruz**, Col USMC (Ret). He will speak about his experiences in the Marine Corps and in particular his deployments on active duty in Vietnam and the Middle East.

From time to time, it has been observed that members leave the room before the speaker has finished his or her presentation. This is disruptive to the speaker as well as the remaining audience. It is suggested that if a member knows he must leave early, he should leave before the speaker begins the presentation rather than during the presentation.

As 2010 draws closer we are requesting members to volunteer to fill vacant Committee Chairman Positions. Currently we are aware of the following vacancies:

- 1) Membership
- 2) Sir Happenings
- 3) Veterans

If you wish to volunteer to become a 2010 Chairman, please contact **Dennis Hallett**.

Many thanks,
Dennis

CRABBY OLD MAN

When an old man died in the geriatric ward of a nursing home in North Platte, Nebraska, it was believed that he had left nothing of any value.

Later, when the nurses were going through his meager possessions, they found this poem...

Its quality and content so impressed the staff that copies were made and distributed to every nurse in the hospital.

One nurse took her copy to Missouri.

The old man's sole bequest to posterity has since appeared in the Christmas edition of the News Magazine of the

Duplicate Bridge George Zunich

Our match is held each month on the Monday after the SIR Luncheon at various homes. Bring your lunch.

In October, Sir **Bob Donahue** hosted 3 tables of duplicate bridge at his home.

In a close match, the results were as follows: **Fred Kovar** and **George Zunich** tied for 1st place with 27.5 points. **Fred Bolton** was in 3rd place with 25.5 points. **Carl Johnson** and **Bill Rees** tied for 4th place with 25.0 points.

The next match will be held on Monday Nov. 16th at the home of **Jim Todhunter**.

Contact **George Zunich** 376-4439 for information. We welcome interested members.

Party Bridge Fred Bolton

1st Monday at 10 am at various members' homes. Contact Fred Bolton for details. Bring a lunch.

We played two tables of party bridge at the home of **Fred Bolton**.

First place went to **Fred Bolton** with 6480 points and second to **Bob Yolland** with 5500 points.

Our next game will be at the home of **Carl Johnson** on Monday, November 2nd.

Couples Duplicate Bridge Lo McCarley

Meet the 3rd Wednesday of each month starting at 7:00 pm at participants' homes. Couples play as partners.

Eight couples had a great time playing duplicate bridge on October 21st. **Lo** and **Sue McCarley** hosted the gala affair. **Carl** and **Anne Johnson** took first place with 39 points. **Bob** and **Janet Yolland** took second (35 points), **Lynn** and **Dasha Freeman** (34 points) placed third, and **Bill** and **Margaret Rees** tied with **Lo** and **Sue McCarley** for fourth place with 32 points. **Bill** and **Margaret Rees** will host the next meeting on Wednesday, November 15th.

Couples Duplicate Bridge Too Dick DeVoe

Three tables of couples duplicate too bridge were hosted by **Joe** and **Josie Barry** in October. Everyone was still smarting from the solid trouncing inflicted by **Ken** and **Elaine Richter** the month before. Ouch! It was a different story this time. Only 1 1/2 points separated the top four teams, with **Lynn** and **Dasha Freeman** tying with subs **Stu** and **Margot Somerville** for 1st place, **Dick/Christy DeVoe** came in 3rd, and the hosts got 4th. So, what about those last month's winners? Well, let's just say they're still wondering how it all went terribly wrong!

**COUPLES GOLF
TERRY MARCHIONE**

Our couples golf group had its first outing on 9/23 at Deer Ridge in Brentwood. Despite the warm (hot) weather, a great time was had by all. We had 10 couples participate and everyone managed to hang in there for the 18 holes. The competition was fierce with **Ray and Tippy Weisz** walking away with the top prize. **Dick and Judy Richmond** were a close second. **Dennis and Ann Hallett** edged out **Lew and Carla Thompson** for third place on a scorecard playoff.

Following golf, **Ray and Tippy** hosted the group at their home for wine and a light dinner. I'm sure they were beginning to wonder if everyone was ever going to leave.

Our next golf date is October 28 and is currently scheduled for Shadow Lakes. We have 16 couples on our roster at present and are getting close to the maximum number of couples we can handle efficiently.

If you are interested in the group get in touch with **Terry** at 472-8850 or terrymarchione@yahoo.com

Crabby Old Man

What do you see nurses? What do you see?
 What are you thinking when you're looking at me?
 A crabby old man, not very wise,
 Uncertain of habit, with faraway eyes?
 Who dribbles his food and makes no reply.
 When you say in a loud voice 'I do wish you'd try.'
 Who seems not to notice the things that you do.
 And forever is losing a sock or a shoe?

The speaker for our November meeting is a master gardener, Sir **Steve Dawkins**. The topic is plant pathology. As gardeners, this topic discusses what we have to deal with at times about plant diseases and how to handle them. As a special treat, **Steve** will narrate a projected disk on the recent TV feature of his back yard mums.

For Our December meeting, Sir **Jack Calloway** will speak on something we all have in our homes – house plants. How many plants I have killed with neglect or over kindness?

Garden tip of the month: Want winter color in the house? Try forcing bulbs. What does forcing bulbs mean? Many varieties of bulbs need a chill factor to produce flowering because the flower has already formed from the previous year's growth. Go to web site www.bulb.com and click on "public" and then "pot and vase".

Poker Club #1 Frank McNamee

Poker Club #1 met on October 14th at the home of **Frank McNamee** and two old neighbors who lived two houses apart for twenty five years learned something about winning poker as **Ron Binder** and **Frank McNamee** led the way to the winners circle as the luckiest players. **Bob White** came in as a distant third. Our next meeting will be on November 11th at the **Dan O'Sullivan** residence.

Poker Club #4 Chuck Bobinecz

Sir **Garth Cummings** is hosting our next poker session on October 26 now that he is out of Africa. Sir **Pete Gates** will be our host for November.

Last month in poker # 4 the word "limp in" was defined. Poker players have a jargon all their own such as "big slick", "burn", "draw dead", "fish", "kicker", "muck", "rake", "trips", and many more.

Poker Club #2 Al Zamolo

Al Zamolo hosted our Sept. meeting and as usual **Ken Kratz** continued his winning ways. Some lost a little and some won a little. No big events to report. **Bob Royster** will host our Oct. session.

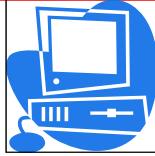

Poker Club #3 Siegfried Kalteis

We have decided to shift our game to the fourth Monday of the month.

Some of the players want to participate in the couples golf which conflicted with our previous date. All our regulars were OK with the change. Our September game was a hard fought battle, no clear winners but therefore also no huge losers. But we had fun.

Area 2 computer and technology group announces the following topics for their next meeting on Thursday, November 19th:

Making better pictures with your Point and Shoot (or other) camera

Derek Southern will explain how we can make better pictures with our 'simple' point and shoot digital cameras. It is said that education is the way to better pictures, rather than bigger and more expensive cameras, so how much better can we make our pictures (memories). We'll see how to avoid the 3 Big Bs (Boring, Blurry and Bad) in our pictures because with a few simple hints your pictures can improve a lot. With the holiday season approaching we can make better pictures of our families and friends, and even our landscapes will be improved. There are times to turn your flash off, and other times you should turn it on, but the choices may be different than what you expect. Come with your questions and an open mind and improve your picture making abilities.

Phil Goff will give some hints about purchasing a net-book computer, and in the remaining time **Dick Curry** will give us the benefit of his knowledge and experience in a Q&A session.

Explore and Dine

John Pearl

In September, Explore and Dine traveled to Oakland to visit the Pardee House, built in 1868 by **Enoch Pardee**, and the former residence of his son **George Pardee** and his family. **George** was the governor of California during the aftermath of the 1906 San Francisco Earthquake, and apparently did a good job of managing the State's response. He was also instrumental in starting the East Bay Municipal Utility District, which includes Pardee Dam and Pardee Reservoir, and served as its president until 1941. **Mrs. Pardee** was an artist and a collector par excellence, and the house is chock-a-block with her many collections that range from glassware to a whole room full of candlesticks.

Our guide was a member of the extended Pardee family, and spent time during his youth in the house. The house was added on to several times, and the two remaining sisters who were his daughters arranged for a trust to take over the property after they died. The house is well maintained and made for a great tour. We wandered down to Max's near the 12th Street BART station for lunch.

On October 29th, we will visit the Chabot Space and Science Center in Oakland. There will be no Explore and Dine during November and December.

Bocce Ball Martin Lyle

2nd and 4th Mondays at 9am, April through November, at Concord Bocce Courts in Newhall Park, Concord, near the corner of Turtle Creek and Ayers Roads.

The weather has moderated somewhat, so it is not so warm. Bocce is a good activity to start your week, so why not come out for some fun. No reservations needed.

MEMBER RECRUITMENT AND RETENTION JACK CALLOWAY

I am sure that you are familiar with the phrase, "A few good men". So far this year we are down six members. We need your help in bringing guests to the luncheons so that they can see what we are all about and hopefully join our branch.

Thanks to all of you who filled out the member survey at the September luncheon. We are now analyzing the information so that a report can be prepared for the Branch Executive Committee. If anyone else is interested in completing a survey, please contact me.

Dreaming that soon now a lover he'll meet.
A groom soon at Twenty my heart gives a leap.
Remembering, the vows that I promised to keep.
At Twenty-Five, now I have young of my own.
Who need me to guide and a secure happy home.
A man of Thirty, my young now grown fast,
Bound to each other with ties that should last.
At Forty, my young sons have grown and are gone,
But my woman's beside me to see I don't mourn.
At Fifty, once more, babies play 'round my knee,
Again, we know children, my loved one and me.

Cliff Melikian introduced by Tom Morgan

Dark days are upon me, my wife is now dead.
I look at the future shudder with dread.
For my young are all rearing young of their own.
And I think of the years and the love that I've known.
I'm now an old man. and nature is cruel.
'Tis jest to make old age look like a fool.
The body, it crumbles, grace and vigor depart.
There is now a stone where I once had a heart.
But inside this old carcass a young guy still dwells,
And now and again my battered heart swells.
I remember the joys, I remember the pain.

Cooking Dave Johnson

1st Monday at various members' homes.

The September meeting of The Group was our annual wine bottling party, held at the home of **Bob and Jo Spellman**. There was less spillage than usual and no food fight, this year. **Bob and Jo** did a tremendous job of pampering us with hors d'oeuvres, sautéed mushrooms, a luscious potato-cheese casserole, green salad, 3-bean salad, a nicely grilled flank steak, and a chocolate-mint ice cream pie. The entire event was a roaring success-even for those who were somewhat anesthetized.

In October, the "Executive Committee" met at **Charlie's**. Other members were either out of town or couldn't make bail. **Charlie** dazzled us with an excellent green salad, a mild side-dish of warm pasta and cheese, and his special pot roast with carrots. Dessert was a delicious cheesecake, which **Charlie** claimed to have made "from scratch."

Next meeting will be our November Date Night, at Zio Fraedo's, when we'll all try to act Italian, for the evening.

Fishing Paul Dubow

4th Thursday at 8:30 am. at Diablo Creek Golf Course (Legends Grill). North Port Chicago Hwy

Eight members of the Area 2 SIR Fishing Club, including **Tom Boltz** and **Paul Dubow** of Branch 146, journeyed to Lake Davis and had a grand time, catching over 200 trout in two days, with the largest one at 21 inches. All but a few were released. **Harry Sherinian** had a similar adventure. He fished at Rock Creek Lake, a private lake, and caught a substantial number of large trout fly fishing from a float tube. Then he took his grandchildren to **Joe Miscione's** fishing hole on the banks of the Sacramento River and helped them catch and release small stripers until they were worn out. **Harry** did not even try to fish because he was so busy with the grandkids and he recommends this fun pursuit to every grandfather. **Joe** was not displeased about **Harry's** comman-deering of his favorite fishing spot because he had a good time fishing out of Pillar Point with his son **Keith** and **Roger Miller**, **Roger Borgerson**, **Carl Moyer**, and **Carl's** daughter **Leah**. Everyone came home with lots of rockfish and ling cod, but **Keith** also came home with a large grin, as he landed a ling cod that weighed in excess of twenty pounds. On several other trips to the ocean, **Carl Moyer** caught nice limits of rockfish and ling cod, but **Terry Miller** didn't believe him because when he went out with **Carl**, the catch was substantially diminished. In fact, not all of us fared as well as the aforementioned fishing athletes. On a trip to the normally productive Montezuma Slough, **Carl Moyer**, **Harry Sherinian**, **Terry Miller**, **Tom Boltz**, **Bob Olson**, and **Karl Droese** managed to hide from the perpetual wind for awhile, but only one decent striper was caught, landed by Grandpa **Harry**. **Joe Peterson** and **Craig Walton** fished the Sacramento but were also bested by the wind and **Carl Moyer**, **Terry Miller**, and **Joe Peterson** had the same result on three other Delta ventures. But the camaraderie was great. And, finally, **Carl Moyer** and **Paul Dubow** decided to do some halibut fishing in the bay, but they wound up in different parking lots. Since **Carl** had the boat, he fished and **Paul** went home. **Carl** did hook two halibut, but could not land them and he retreated homeward after the wind came up in mid morning.

We will be very busy this winter with delta fishing for striped bass and sturgeon, trout fishing in our local lakes, and party boat trips for sturgeon, stripers, and crab/rockfish combos. Those who rarely or never have fished are invited. If you haven't been fishing for awhile, but might like to test drive an adventure, come on down to our next meeting. It will be on Thursday, November 19, at the Legend Sports Bar and Grill at the Diablo Creek Golf Course, 4050 Port Chicago Highway in Concord. The meeting starts at 8:30 am, but come earlier for breakfast. Our guest speaker will be **Bill Adelman**, who will be sharing his Delta experiences. For further information, call **Paul Dubow** at 415-495-6504.

Walter Schmidt introduced by James Meehan

And I'm loving and living life over again.
I think of the years, all too few gone too fast.
And accept the stark fact that nothing can last.
So open your eyes, people, open and see.
Not a crabby old man. Look closer . . . it's me.

Remember this poem when you next meet an older person who you might brush aside without looking at the young soul within.
We will all, one day, be there, too!

Thanks Bill Hoban...ed

SURVEY Thanks to the 120 members who completed the Member Survey. A high level of satisfaction was expressed with fellowship at the luncheons and our numerous activities mentioned most often. There were a number of good suggestions for new activities, speaker topics, recruitment and ways to improve the branch. This information has been given to the Branch Executive Committee for their guidance and future action. Remember to "Be a friend-bring a friend" to our next luncheon so they can see our great branch and join in the fun.

Thanks to **Bill Cammerer**, **Don Del Bene**, and **Larry Sheerin** for folding and labeling, to **Jeff Baily** for proofreading, to **Rich Ahlf** for photography and to **Bill Cammerer** for mailing

New member, Steve Jacobs is introduced by Bill Holly

Two guys were roaring down a country road on a motorcycle when the driver slowed up and pulled over. His leather jacket had a broken zipper, and he told his friend, "I can't drive anymore with the air hitting me in the chest like that." "Just put the jacket on backwards," his friend advised. They continued down the road, but around the next bend, they lost control and wiped out. **Ron** came upon the accident and then ran to call the police. They asked him, "Are they showing any signs of life?" "Well," **Ron** explained, "the driver was until I turned his head around the right way!"
