

## **COUPLES DUPLICATE BRIDGE**

Bob Yolland

Couples duplicate bridge 1 meets the 3rd Wednesday of each month for a fun evening of bridge at one of our members' homes starting at 7PM and ending normally by 11PM. It's made up of 12 permanent members but due to travel and conflicts we often need a sub couple. This is a program that has been going strong for many years. We are pleased to have several Sir Widows who were original couple members continue with the group. The host provides wine, soft drinks, coffee and normally a small array of snacks. Participants put \$2 per couple in the pot which is then paid out to the top three couples point earners at the end of the evening. Currently we have a full complement but are always interested in substitute couples. If you wish to be on the sub list, please let me know.
