

Couples Party Bridge

Tony Greco 934-0395

This is a group of six couples who play "party bridge" instead of duplicate. Starting on the first Tuesday of the month at 7:00 pm, we play four hands against each of five other couples.

We score the total points on each hand using "Chicago" scoring. The winners are based on total points for the evening. We play for \$2/couple and three couples take home winnings. The role of host rotates among the regulars. The host provides wine and soft drinks, snacks, and dessert at the end of the evening. It tends to be very social but that doesn't mean it's not competitive.

Although we have an extensive sub list, please call me if you'd like to try this. We try to give preference to subs who are new to the branch or aren't playing in other groups. If you want help in forming a new group, please contact me or Jerry Kaplan, the branch activities chair. I also recommend SIRs duplicate bridge. It's just as friendly and sociable. If you thought duplicate at the bridge club was "intense" or made you too nervous, SIRs duplicate isn't like that.
