

Cycling Group

Larry Kaye

We are a group of bike riders of all types. We have various bikes from road to mountain to cross.

Our goal is to stay fit and keep healthy. We have no trophies, tee shirts or awards. We just ride to ride. We wait for everyone regardless of speed or endurance.

Our rides vary as to where, how far, and when. We try to ride twice a month and explore new territories on each trip.

Join us by letting me know your desire to partake.
