

Mexican Train Dominoes Tres

Jeff Baily

MTD#3 is now up and running. The game is fun and easy to learn if you never played it before.

The rules that govern our games and some of the local (SIR) differences can be found at www.mexicantrainrulesandstrategies.com

We meet monthly (except December) on the 4th Friday of the month at 6:45pm and rotate among different homes.

As of now, we have a complete complement of 18 players.

MTD is a very popular game in the branch, so if you'd like to join a group or help in forming a new group, contact either the chair of the particular group you're interested in or Jerrold Kaplan, the branch activities chair. I'm sure that even though a group may have a full complement of players, they would be interested in having a small spare or substitute list.

Alicia and I are also on a spare list for the other MTD groups and have been called to play with them also. Never win but have a great time. Good luck when playing and may all your tile numbers be low.
