

## Mexican Train Dominoes El Quattro

Jim Pope

El Quattro Mexican Train Dominos is now up and running. The game is fun and easy to learn if you never played it before.

The rules that govern our games and some of the local SIR differences can be found at [www.mexicantrainrulesandstrategies.com](http://www.mexicantrainrulesandstrategies.com) . We currently meet monthly on the 3rd Friday of the month at 7:00PM at the home of Renie and Jim Pope.

As of now, we have a complete complement of 20 players. MTD is a very popular game in the branch, so if you'd like to join a group or help in forming a new group, contact either the chair of the particular group you're interested in or Jerry Kaplan, the branch activities chair. I'm sure that even though a group may have a full complement of players, they would be interested in having a small spare or substitute list.

Good luck when playing and may all your tile numbers be low.
