

Men's Duplicate Bridge 2

Dick DeVoe

We were blessed with a great venue and wonderful hospitality at host **Bob Yolland's** home on May 17. **Jerry Milano** (Branch 8) took top honors with 28.5 points, followed by **Jim Brown** (27), **Bill Snyder** (26.5), and **John Boyan** (26). Nine of the twelve players made or beat the mean average of 24 points, which was most unusual. The top three players had more zeros on boards than four other players, which indicate the rest of us aren't so bad after all!
