Branch 146 Photography Group meets approximately every other month at the Thurman G. Casey Ygnacio Valley Library, 2661 Oak Grove Road, Walnut Creek, CA 94598. Meetings are held on a Friday and run from 9 am - 11 am. Check the SIR CALL or the activity calendar for the exact date schedule. We have special permission from the library to commence our meetings earlier than library hours, so we use the entrance on the back-left side of the building. The meeting room at the library can seat up to thirty-five people, but our meetings are usually attended by five to ten Sirs and include spouses or significant others. The group is open to all Area 16 members and guests.

Attendees are invited to bring a thumb drive with photos or movies that they would like to share with the group. We also occasional have tutorials or videos blogs on some aspect of photography or new camera technology. If you have any questions, please contact Richard Hockenbrock at [rhock@pacbell.net](mailto:rhock@pacbell.net).
