

## POKER CLUB 2

Al Zamolo

Poker Club #2 meets on the second Wednesday of the month.

At our January session Green visors were worn by all to upgrade our poker group to real poker players.

On May 8<sup>th</sup>, at the home of **Bob White**, it appeared early on that it was to be another large day for **Bill Cammerer**. Bill had acquired more chips than he had space to stack them, but then that old adage "it is always better to win late" came up. **Frank McNamee** captured some big pots toward the end and took honors as the big winner for the day. **Bill** still ended up on the plus side along with **John Lewis** and **Don Martin**. We will reconvene on June 12th at the **Bill Cammerer** residence.
