

THEATRE

Gary Schaub

For a pleasant evening, how about a night out at the theater? Three or four times each year we schedule a SIR 146 Theater Party, usually at one of the local community theater venues. It's a great way to spend an evening with spouse, partners and friends.

In past years we've gone as a group to Leshner Center in Walnut Creek, CalShakes in Orinda, Town Hall Theater in Lafayette, Berkeley Rep, Campbell Theater in Martinez and Village Theater in Danville, among others.

We try to provide a balance of offerings from among the wonderful and talented work being offered by our local community theater groups - everything from romantic comedies and classic works to more serious thought-provoking dramas.

Normally by going as a group we are able to negotiate a nice discount for the cost of tickets, but we also normally have to plan ahead (two-four month in advance) in order to get the discount.

So when you see something of interest in SIRCALL, let us know if you're interested. And ... if you're not sure, go ahead and take a chance - the quality of the production and the camaraderie might surprise you!
