

## Veterans

Larry Kaye

You are invited to join the Veterans Group.

We meet quarterly for lunch and conversation at various locations, usually on a Friday. The exact dates will be announced in advance each quarter.

Please have a story ready to be shared with your fellow vets. It's not necessary but could be fun. Some of us have tales that only a fellow Vet could understand. Sometimes a speaker will share his unique experience. Bring cash to pay for you lunch bill. This will be a fun gathering.
