### The reality is SIR is...

- Lacking energetic new leadership
- Understaffed and underfunded
- Invisible in our communities
- Members 'Aging Out' at 4-7% / year
- Losing 2-5 branches per year by merger or dissolution due to lack of leadership and/or membership

### So what are SIR's Alternatives?

- 1. Keep on the same declining path with fewer branches and members.
- 2. Aggressively promote a new image to improve visibility & attractiveness.
- 3. Find a new way to seek funding, hire leadership and promote SIR digitally and in local media to gain visibility and growth.

### Questions Branches should be asking

- How visible is our branch in our community do we care?
- What have we done lately to attract prospects important to us?
- What is more important to our members: lunches, activities, events?
- How successful have we been attracting new BEC members?
- Do we have a succession plan for all key positions in our branch?
- For what do we look to State to provide Anything?
- What if State was to go away where would we get their services?
