## Big Sir's Notes

**Dennis Hallett**

May I start by thanking **Pete Gates** for covering my June 2010 Branch Executive Committee (BEC) and luncheon duties while I was on vacation. I also extend my thanks to **Don Del Bene** for his presentation at the June Luncheon on our Emergency Evacuation Plan.

My congratulations to **Chuck Smith** who won the Colorful Shirt Competition with **Fred Kovar** a close second.

Please remember our voluntary annual donation of \$25 is due. I am informed that over 70 % of our members have already made their donation. Without your donation we will be unable to maintain our existing level of activities and improvements. Please make your check payable to "SIR 146" and give it to **Joe Fuchs** or **Ron de Golia** or mail it to **Ron de Golia** at: 1012 Camino Verde Circle, Walnut Creek, CA 94597.

We are in need for some volunteers to join our Song Sirs. Please contact the Director **Don Tubb** if you have an interest. We are very proud of our Song Sirs and have enjoyed hearing their programs on many occasions. They are one of the cornerstones of our Branch.

The BEC has approved the Website Enhancement Plan prepared by the Website Committee. Already we are seeing improvements and look forward to more in the future. The Website Committee should be commended for their efforts.

Lastly, I would like to thank the Nominating Committee, under **Garth Cummings** chairmanship, for selecting the 2011 Branch Officers and Directors. We have a strong team, with many new faces, who are willing to

## Duplicate Bridge Terry Marchione

*Our match is held each month on the Monday after the SIR luncheon at various homes. Bring your lunch*

Sir **Fred Kovar** hosted our June game with four tables of duplicate bridge. Again this month I want to give a special thanks to Sir **Jim Jackson** for filling in as Director.

The bridge match was exceptionally close. Sir **Bob Donahue** finished in 1<sup>st</sup> place with a score of 41.5 points, squeezing by Sir **Bill Rees** and Sir **Jim Jackson** who tied for 2<sup>nd</sup> with 41 points each. Sir **Lynn Freeman** (40.5 points) finished fourth.

The next game will be held on Monday July 12th at Sir **Bill Snyder's** home. Contact **Terry Marchione** ([terrymarchione@yahoo.com](mailto:terrymarchione@yahoo.com)) for information.

## Couples Duplicate Bridge Too Dick De Voe

Our Couples Duplicate Bridge Too event is usually full of surprises, and June was no exception. Substitutes **Bob** and **Janet Yolland** graciously hammered the rest of the group on their way to receiving 1st place. They gave in return a wakeup call to the "regulars" that we aren't yet ready for the world championships. Bummer. However, hosts **Dick** and **Christy DeVoe** proved once again that luck can indeed trump skill by taking 2nd place. **Ken** and **Elaine Richter** came in 3rd two months in a row, which either proves they're not really trying or that they're just barely hanging on. The month's 4th, 5th, and 6th place teams- **Terry/Sharon Marchione**, **Lynn/Dasha Freeman**, and **Josie Barry/Margot Somerville**, not necessarily in that order- were all hoping their names wouldn't be mentioned. But, hey, transparency is what it's all about. Better luck (and even a modicum of skill) next month!

## Party Bridge Fred Bolton

*1st Monday at 10 am at various members' homes. Contact **Fred Bolton** for details. Bring a lunch.*

We played three tables of bridge at the home of **Lo McCarley** on June 7.

First place went to **Carl Johnson** with 5450 points, second to **Bill Snyder** with 4970 and third to **Chuck Hammond** with 4840. Our next game will be at the home of **Bill Snyder** on July 5th.

## Lunch and Wine Group

**Paul Dubow**

**Frank Rockwell** hosted a Mexican themed meal at our May gathering. His menu consisted of chips, salsa, and guacamole as starters followed by beef enchiladas, Mexican rice, and Mexican salad, and then a dessert of flan with whipped cream. As usual, we enjoyed the meal, the wine, and the conversation. At the same time, our wives lunched at the Lark Creek Restaurant in Walnut Creek.

It is our usual practice to supply you with a recipe from our gourmet chefs, but **Frank's** recipes for the enchiladas and flan proved to be rather complicated and perhaps a bit long for this space. However, **Frank** happily supplied us with a shorter version and here it is:

- Pick up phone
- Call the Quadalahara Grill
- Order rice for 7
- Order flan for 7
- Hang up phone

In the next issue we will supply you with the details of the June luncheon prepared by **Joe Barry**. Our next luncheon is at the home of **Dick Woodman** on July 21 and we are looking forward to the experience.

## Couples Duplicate Bridge Lo McCarley

*Meet the 3rd Wednesday of each month starting at 7:00 pm at participants' homes. Couples play as partners.*

**Bill** and **Margaret** hosted eight couples for a gala evening of duplicate bridge on June 16th— everyone had a great time. The group welcomed **Jill Reiner** as **Jim Brown's** partner. As for the bridge results, **Bob** and **Janet Yolland** took first place with 37 points, **Lynn** and **Dasha Freeman** took second (36 points), **Jim** and **Allison Todhunter** tied with **George Zurich** and **Tamara Judson** for third place with 32 points. **Margot Somerville** with her bridge partner, **Vince Rettew**, will host the next bridge on July 21st.

## Theater Gary Schaub

### “The Hairy Ape”

Scheduled for September  
Theatre Party

An important drama from the 1920's by a prize-winning playwright is the SIR 146 Theatre Party for September. It will be presented at the Village Theatre in Danville on Thursday, September 23rd at 8:00 p.m., produced by the **Eugene O'Neill** Foundation. Eugene O'Neill's "The Hairy Ape" is an Expressionistic play about a steam-ship stoker who tries to make sense of the world around him. It is a powerful statement about the effects of industrialization and technology on the worker. While set in the 1920s', "The Hairy Ape" is relevant in many ways to contemporary times.

The play is by Nobel Prize winning Playwright **Eugene O'Neill**, who lived at Tao House, his home in the Danville hills, between 1937-1941. Here **O'Neill** wrote his most notable plays, including "A Long Day's Journey Into Night," "A Moon for the Misbegotten," and "The Iceman Cometh." Tao House is now part of the **Eugene O'Neill** National Historic Site, operated by the National Park Service.

Tickets for "The Hairy Ape," in a special group rate for SIR members is \$25. Space is limited. Deadline to order is September 3rd. Send your check, payable to "SIR146" to Sir **Gary Schaub**, 1758 Candelero Court, Walnut Creek 94598. If you have questions, call **Gary** at (925) 938-5454. Tickets will be distributed at the door of the Village Theatre, 233 Front Street, Danville (one block east of Hartz Avenue, near the Danville Library). Free and lot parking is available nearby in Danville

"The Hairy Ape" is being presented as part of a month-long **Eugene O'Neill** Festival, held each fall in Danville. In addition to the play, several lectures and panels, musical events and art exhibits related to the Expressionistic period will be offered. (Details regarding the Festival will be posted on the Eugene O'Neill Foundation website, [www.eugeneoneill.org](http://www.eugeneoneill.org)). Expressionism was a cultural movement of the early 20<sup>th</sup> century that vividly distorted personal moods and ideas. Other artists working in the mode included **Edward Munch** and **Vincent van Gogh** (art), **Franz Kafka** (literature) and **August Strindberg** (drama).

## Garden Club

Chuck Bobinecz

*1st Thursday at 9:30 am at the Walnut Creek Presbyterian Church, 1801 Lacassie Ave., in the Room 203, unless otherwise announced.*

The July meeting will be on Thursday, July 22<sup>nd</sup>. It will be a BBQ at the home of Sir **Chuck Bobinecz** from 11a to 3p. He will furnish the sausages and suds. Sir **Lew Thompson** is coordinating this event. Please contact him prior to July 15<sup>th</sup> as to what you might bring (salads, deserts, etc.) As usual, wives and guests are welcome.

Our August meeting will be a trip to the **Ruth Bancroft** Gardens. We will meet at the garden on Thursday, August 5<sup>th</sup> at 9am. The cost for a docent one hour tour is \$7 pp or if you are a member of the garden there is no cost for the tour. Again, wives and guests are welcome. 4

Garden tip of the month: Water less often, but for longer periods. A deep soaking once a week is better for your plants than frequent shallow drinks. This soaking encourages deep roots, which means you water less as the summer wears on. Also, mulch, mulch, mulch.

## Chess Group

A chess group is now being formed. Players at all levels are welcome.

Please contact **Joe Fuchs** at [JBF@astound.net](mailto:JBF@astound.net) if you are interested.

## Non-Responsibility Declaration

**Rule 345:** All activities arranged for or by Sons In Retirement, Inc. and its branches are for the convenience and pleasure of the members and their guests who desire to participate. Sons In Retirement, Inc. and its branches do not assume any responsibility for the well being or safety of the participants or their property, in any matters pertaining to said activities.

### Poker Club #1 Frank McNamee

Poker Club #1 met on June 9th at the **Don Martin** Residence and it proved to be a great day for the Irish as **Dan O'Sullivan** was the big winner. He was followed by **Howard O'Harvey** and **Frank McNamee** who didn't win as much combined as **Dan** did on his own. I hope **Donna** doesn't believe that story that he lost again. Make him take you to dinner. We will meet again on July 7th at the home of **Bob White**.

### Poker Club #3 Siegfried Kalteis

Unfortunately we did not have a full table, but we had fun nonetheless. **Joe Fuchs** and **Ron Plachy** were the big winners. **Joe** won a hand both high and low with a straight flush wheel, now that's lucky! Personally, to everybody's relief, I am back to my losing ways. That's OK, I am used to that and I am comfortable with that.

### Poker Club #4 Chuck Bobinecz

Our next (\$10 to \$10 session – you may win or lose \$10 – rarely happens) is on June 28 at the home of Sir **Garth Cummings** and on July 26<sup>th</sup> we will meet at the home of Sir **Pete Gates**. Sir **Skip Thomas** added a lot of excitement to our last session. He is well now and ready to take our poker losses.

### POKER GROUP 5 Bill Roberts

Our June game was held on the Wednesday the 9<sup>th</sup>. We welcomed back **Skip Thomas** after his unexpected trip to the hospital. **Skip** looked to be in fine form as he continued his three month winning streak. **Dean Merritt** and **Ken Richter** found a new way to avoid losing big money by showing up half way through the game (however just in time to partake of **Bill Roberts** homemade meatloaf. Due to travel conflicts there will be no game in July. Our regular players are **Spellman, Thomas, Merritt, Richter, Koeber, Marchione** and **Roberts**. The date for our next game has not been set at this time.

### Bowling Larry Mitchell

Our SIR League at Diablo Lanes is well under way and is very competitive. We have three teams within one game of first place, one of which I am a proud member!

The tournaments scheduled for July are: Yuba City at the Nu Generation Lanes on the 12th and 13th and Napa at the Napa Bowl on the 16th and 17th. These are Singles, Mixed Doubles and All Events. For more information or entry forms, please call me at 925-798-5440.

### Cribbage John Pearl, Interim Chair

We're having trouble getting a "quorum" together as summer time travels and various appointments come into play. We took off the month of June, and may also do so in July, resuming a little later in the year. If you'd like the excitement of counting 15-2's, trying to count to 31, and other fun things, please consider joining our group.

## MEMBER RECRUITMENT AND RETENTION

**JACK CALLOWAY**

Congratulations to our newest member, **Chuck Sesata**, who was sponsored by **Jack Calloway**. At the June luncheon we had the drawing for a free lunch for sponsors of new members in the first half of 2010. **Bob Yolland** was the lucky winner and he is already sponsoring another new member in July. Could he also be the winner at our next drawing in November?

We have now completed the first half of 2010. Unfortunately, we have lost more members than we have inducted. Please think carefully about someone you know who might be a potential member and bring him to our next luncheon. If you enjoy being a member of Branch 146, why not share the good times?

Area 2 Computer and Technology Group announces the following presentation for their meeting on Thursday, July 15th

**“Traveling Overseas with Technology – What technology to use while travelling?”**

**By Neil Schmidt**

With recent rapid advances in technology there are now many devices that can aid the traveler when going overseas. There are ways to inexpensively make phone calls, to send/receive e-mails, share photographs with friends & relatives, to find your designation, etc., etc. Neil will discuss some of these devices as well as options, costs, and tips for using them. In addition, the audience will be encouraged to contribute their experiences and ideas.

Time permitting, there may also be a Show & Tell featuring any gadgets attendees bring, and possibly a Q&A session with The Gurus of A2CAT where the advice is always 'priceless'.

Meetings of the Area 2 Computer and Technology Group are held the 3rd Thursday of each month (except June and December) from 9:00 to 11:00 a.m., at the Walnut Creek Elks Lodge, 1475 Creekside Drive.  (at Masse's 2721 N. Main, Walnut Creek)

We usually have three or four pool games going when we meet on the 1st & 3rd Mondays at 11:30am at Masse's - 2721 North Main in Walnut Creek. The cost is \$5.00 for as long as you want to play. We also have SIR members from other branches joining us and we usually play about 2 hours but not everyone stays for the final curtain. Haven't played in years? Come join us. All SIRs in our area are welcome.

**Fishing Paul Dubow**

*4th Thursday at 8:30 am. at Diablo Creek Golf Course (Legends Grill). North Port Chicago Hwy*

Salmon fishing in the ocean has opened and **Terry Miller** got the honors for the first salmon of the year on board the El Dorado. **Terry** also caught a nice halibut on the same trip, as did **Harry Sherinian**. However, the salmon fishing remained spotty and, as the month progressed, we did better with halibut in the bay, culminating with a catch of eight delicious flatties by **Karl Droese, Carl and Leah Moyer, Rich Bennett, Terry Miller, and Paul Dubow**. Prior to the halibut outing, **Paul** made his annual trip to the north woods of Wisconsin with his Milwaukee neighbors of forty years ago and caught and released about 70 large-mouth bass and walleyes. Sturgeon fishing has been somewhat limited but on one trip **Carl Moyer**, fishing with **Terry Miller**, caught and released one 74 inches long (about 120 pounds). The highlight of the month, however, was a trip to Lake Davis. That lake has been very productive for rainbow trout ever since it was emptied and refilled two years ago. **Jim Andrews, John Hayes, Tom Boltz, Terry Miller, Harry Sherinian, Jack Waddell, Mario Moratorio, Bill Landers, Craig Walton, and Joe Misicione** traveled to the lake early in the month and, over a three day period, they averaged a catch of over 20 fish per day, releasing all but a few. Other members of our group enjoyed successful trout outings. **Bob Olson** and his son journeyed to the Burney area, catching trout to five pounds.

**Romano Gnusti** made a solo excursion to Shadow Cliffs and landed two nice rainbows fishing from shore. Later, **Terry Miller, Harry Sherinian, Mike Corker, and Carl Moyer** got limits of trout fishing from **Carl's** boat at Shadow Cliffs. **Sal Costanza** traveled to Lake Almanor where he conquered a four and one half pound brown trout and landed five rainbows to 20 inches. And, finally, **Jim Ballard** managed to catch four rainbows from the Truckee River notwithstanding very high water.

On another front, **Joe Karg, Karl Droese, and Carl Moyer** tried Lake Don Pedro for the first time and caught a mixed bag of king and kokanee salmon. **Joe Peterson** continued his good fortune trolling the Sacramento River for stripers and **Bill Landers** worked the delta hard for lots of black bass plus striped bass to fifteen pounds. **Bill** is our black bass expert and he gave an excellent talk on the subject at our last meeting.

We will be very busy this summer with delta fishing for black bass, crappie, bluegill, catfish, and sturgeon, trout fishing in the mountain lakes and rives, and party boat trips for salmon, sturgeon, halibut, and stripers. If you haven't been fishing in a while, but might like to try it again, come join us. On some occasions, we can even supply you with equipment.

Our next meeting will be Thursday, July 22, at the Legends Sports Bar and Grill at the Diablo Creek Golf Course at 4050 Port Chicago Highway in Concord. The meeting starts at 8:30 am, but you can join us for breakfast at 8 am. For further information, feel free to contact **Paul Dubow** at 415-495-6504.

Left to right **Rich Bennett, Leah Moyer, Paul Dubow, Carl Moyer, Karl Droese, and Terry Miller.**

The sunshine is here and the Golf Courses are in great condition. We need more Golfers to show up and give the above winners some competition. Our roster is presently at 104 members. However our weekly attendance has not been that great. Those of you that have been participating may try to set your priority to allow for a Tuesday Golf day. I am sure once you try it, you will have a very enjoyable day. Plan a day. See you at the Golf Course. Boundary Oak is in the best condition in the last 10 years.

## New Cooking Group

Gourmets, Hamburger helper makers and all those in between:

The Cooking group, having survived ten years of lunches, dinners and picnics has decided to move on and disband so that you new, younger and brave SIRS can perform and join in the fun.

We hope that you can get a group of fellas to experiment with new and exciting recipes and gourmet gettogethers. Come on and sign up.

Some of the things that we have done over the years:

Cook and prepare a lunch or outings or whatever once a month.

Share the work and responsibilities with at least 6 or 8 members.

Dinners out with our spouses at pre-decided intervals but at least twice yearly

We bottle and label wines yearly.

Invite guest chefs to educate our palates with new and interesting dishes.

Planned a Picnic during the summer.

Come on and sign up. You will need a group of 6 or 8. Call a buddy and start cooking.

## Area 2 \$ums In Retirement

**Allen Espenmiller**

The Area 2 \$ums Investment Group will meet on Wednesday July 28, 8:00am at the Diablo Creek golf club on Port Chicago highway in Concord. Our speaker will be **Peter Karp** of Karp Capital Management from San Francisco. **Peter's** talk will be about asking the right questions of yourself, of your advisor and of the market. His two subject headings "**Status of the Markets & Karp Capital Management's Outlook**" and "**How to invest in Volatile Times**" will provide answers to these questions.

**Peter Karp** is one of our favorite investment speakers. Plan to attend this very informative meeting. The golf club opens at 7:00 AM and breakfast is available for those who want to arrive early.

## Explore and Dine John Pearl

After lunch, we wandered the waterfront, and with **Bill Holly's** help discovered a new chocolate factory and outlet at Pier 17, TCHO VENTURES, where **Bill** claims that the dark chocolate made there is done in the most scientific manner possible!

The returning ferry was nearly full, but we made good time - not a bad way to commute. The good afternoon weather provided a much better view on the trip home.

Our June event was postponed to July, partly due to **Chair's** surgery. On Thursday, July 22, we will tour Forest Home Farms and the adjoining Glass House in San Ramon. The Glass House renovation has just been completed, and the house has opened to the public. On Thursday, August 19, we join the Travel Group for a bus trip to San Rafael to visit the Guide Dog facility that was the subject of a luncheon presentation last year, with a follow-up stop at the Marine Mammal Center.
