## Big Sir's Notes

Personal reflections about SIR

As I approach the final stretch in my tenure as Big Sir of Branch 146, I'd like to opine a bit...

The Sons in Retirement (SIR) organization, and particularly Branch 146, have found a place in me and my wife's lives close to our hearts. There are so many

nice people we have become friends with in SIR and so many benefits to us that I won't try to list all of them here. To give you an idea of the influence that SIR has had on us, we have stopped talking about our lifelong consideration of moving elsewhere. This is where home and happiness are and SIR is a factor in that equation.

Having been involved in the governance of Branch 146 for the past number of years I have tried to act, as all of us on the BEC have, in the best interests of the branch and our member friends. In doing so there have been many lively debates and all of us have gotten to know each other better and have become good friends.

It is and has been a treasured experience that I would recommend to all Sirs and being a member of SIR is something I'd recommend to all retirees.

On a note about business... This morning I received an email from **Glen Renk** advising that he is resigning from the position of Luncheon attendance Chair for health reasons. I have asked **Bill Root** to fill in until we find a replacement for **Glen** and **Bill** has agreed to do that. This morning I will be meeting with **Stu Somerville** to select a new attendance chair to serve beginning on January 1, 2009.

**Glen**, I would like to thank you on behalf of the Branch for your service and the fine job you did as attendance chair. I wish you good health and continued happiness as a member of Branch 146.

If you haven't done so already, please sign up for the Fall Dinner/Dance. See the SIR Call newsletter for details or call **Vince Rettew**.

And finally, all you newbies, don't forget to bring a friend into the Branch. We'll make sure he gets a first-class welcome.

## Little Sir's Corner

**Stu Somerville**

Our October Speaker will be Sir **John Roebuck**, Chairman of the Area 2 Speaker Exchange Program. He has been in the petroleum business since graduating with a degree in Chemical Engineering in 1941. He will present the risks and other disadvantages of depending on others over half of our energy needs. A timely topic indeed.

## A New Activity Couples Dining Out

I am trying to start up a new group of couples that like to go out to dinner with the good company of Sirs and their Ladies. Initially, the idea is to go out at least once a month to a nice - but not necessarily expensive- restaurant. We will probably limit the number to 6 couples so as not to make it too hard for the restaurants to accommodate us. Another option is to occasionally meet at the home of a member and have a dinner, either hosted or sharing food, hopefully a gourmet potluck. If you are interested, contact me at 459-0852 or email me at [fpllot@astound.net](mailto:fpllot@astound.net).

## Couples Duplicate Bridge Too

**Joe Barry**

*Couples Duplicate Bridge #2 meets on the 2nd Tuesday of the month at 7:00 pm at participants' homes. Couples play as partners.*

### Duplicate Bridge **George Zunich**

*Our match is held each month on the Monday after the SIR Luncheon at various homes. Bring your lunch.*

In September, SIR **Bob Yolland** hosted 4 tables of Duplicate Bridge at his home.

The results were as follows: **Lynn Freeman** was in 1<sup>st</sup> place with 44.5 points. **Joe Barry** took 2<sup>nd</sup> place with 44.0 points. **Carl Johnson** was in 3<sup>rd</sup> place with 42.5 points and there was a tie for 4<sup>th</sup> place with **Jim Todhunter** and **Bob Yolland** each having 41.0 points.

**Lynn and Dasha Freeman** hosted eight couples for a gala evening of duplicate bridge on September 17th. Every one had a great time. As for the bridge results, **Lo and Sue McCarley** took first place with 37 points. **Lynn and Dasha Freeman** (36 points) came in second. **Bob and Janet Yolland** (35 points) captured third place, and **Jim and Allison Todhunter** took fourth place with 33 points. Next bridge will be hosted by **Jim Brown** and **Barbara Lundblade** on October 15th.

*1st Monday at various members' homes.*

In September, we held our sixth or seventh (memories vary!) annual wine bottling, at the home of **Jo** and **Bob Spellman**. Spillage has decreased significantly, minor technical problems continue and demand seems to have increased noticeably. We corked more than a hundred bottles, again, but members assigned to clear air from the siphon also "cleared" a certain amount of wine and seemed to experience some balancing problems and slurring of speech. According to **Al**, "someone" kept emptying his tasting glass but **Charlie** and **Jack** maintained a smooth running operation.

After inhaling some excellent vegetable and cracker hors d'oeuvres, we were treated to a dinner of mixed green salad, a special orzo dish and a fantastic chicken and spinach in phyllo casserole. Our dessert was a frozen strawberry mousse and there were no leftovers. Many thanks to **Jo** and **Bob**. The October meeting is at **Barney's** at 11:00, on the 6th.

**Garden Club**

**Chuck Bobinecz**

*1st Thursday at 9:30 am at the Walnut Creek Presbyterian Church, 1801 Lacassie Ave., in the Multipurpose Room, unless otherwise announced.*

On Sept. 4<sup>th</sup> we had a full bus for our trip to Copia and Castelello di Amorosa. An enjoyable trip, thanks to Sirs **Fred Kovar** and **Lo McCarley** who arranged the trip.

Sir **Jack Calloway** has arranged for a speaker for our regular October meeting at the Walnut Creek Presbyterian church. **Nicole Hackett** will speak on perennials and California natives. She recently gave us a talk on ornamental grasses. She is an excellent speaker. For our November meeting the featured speaker will be Sir **Malcolm Hendry**. His topic is on plant propagation.

Garden tip of the month: Fall is upon us. Lawns: mow high and no fast foods. Time to fertilize. Use a slow release, organic fertilizer for a better lawn in the spring. Also a good time to reseed. Lawns like temperatures in the 55 to 65 degree range.

**Bocce Ball**

**Bob Frankland**

*2nd and 4th Mondays at 9 am, April through November, at Concord Bocce Courts in Newhall Park, Concord, near the corner of Turtle Creek and Ayers Roads.*

Come join us at the courts. This is an easy game to learn and play. We will be playing most of October. This will be our last month on the courts until spring. We usually all go out for breakfast on our last game of the year.

**Table Pool**

**Bill Weinberg**

1st and 3rd Monday at 11:30 am.  
(at Masse's 2721 N. Main, Walnut Creek)

The Pool Club met for it's only time in Sept and we had a good turnout and some memorable shooting. **Otto Wilson** says he had one of the best shots of his career; unfortunately, very few people saw it but **Otto's'** description of it does make it a fantastic shot Hope to see you there in October.

## New Member Relations Committee Report to the BEC, 9-11-08

The New Member Relations Committee (NMRC) was established to serve as a resource to new members and, indeed, maintains personal contact through the early months of membership. The purpose is to gauge the level of comfort the new member feels with the organization and to address issues noted.

To this end, meetings have been held with those men who were inducted in 2007, consisting of two groups of 14 and 16, respectively. In addition, phone interviews have been conducted with most of the men inducted in the first quarter of 2008.

We have received a lot of input from these new members and they overwhelmingly feel positive about the Branch, its management and their experiences so far. They like the idea of the NMRC being proactive, reaching out to members. Here are few examples of suggestions which have come out of this program:

- Several participants liked the idea of “mixers” such as the random seating days. Consensus was for increasing from one to two per year. *The October meeting will be a random seating day, our second for 2008.*
- One man suggested that we set up tables designated for new members and guests at the luncheons. *This has been implemented successfully.*
- It was noted that older members do not often make an effort to meet/greet new members and suggested that new members wear a different color nametag and that older members be encouraged to interface with newer men. *New members will henceforth wear yellow badges for their first six months.*
- One suggestion was that the luncheon programs be assigned to a Program Committee, perhaps headed by the Little Sir. *This and other input lead to approval by the BEC and is being implemented.*

There were several more suggestions aimed at helping new members become acquainted with each other and older members which are still being discussed. Among them are:

-Schedule more day trips and outings. *Couples Dine Out group now in the formation stage, be chaired by Don Tubb, might be one solution to this issue.*

-Having Activity Chairs clearly advertise that “new members are welcome” and/or “skill is not a prerequisite” for most of these activities.

-Assign tasks to groups of new members to encourage them to work as a team to accomplish the task. This was suggested by a Shriner. In his experience, long term bonds were formed between the men.

This new focus on the needs of new members has spawned some good ideas. It has also provided us the opportunity to measure the satisfaction level of this group and how welcome they feel. My conclusion is that they are generally enthusiastic about SIR and Branch 146.

*Meetings of the Area 2 Computer and Technology Group are held the 3rd Thursday of each month (except June and December) from 9:00 to 11:00 a.m., at the Walnut Creek Elks Lodge, 1475 Creekside Drive (just off South Main.)*

Thursday, October 16, **Dean Steichen** will show how to use the Internet to solve computer related and many other questions and problems. **Floyd Skelton** will present his favorite websites.

Almost every problem or question has been recorded on the internet with various solutions. **Dean** will show you how to use the power of Internet search engines to solve your problems and answer your questions.

**Floyd Skelton** has developed a wide range of favorite websites. These include: (1) Hulu - Free TV on the web, (PC Magazines #1 website) plus Free TV from the major networks websites, (2) Google Maps - 'Streetview' to get a view of your house that's available to the world, (2) GasBuddy, to find the cheapest gasoline in your neighborhood, (3) FlightView, to track family or friends incoming flights you need to meet, live, up to date, and interactively, (4) Zillow, to see what your neighbors, family or friends home is worth, and too many more to mention here. The most fun will be to see them all accessed live and displayed via the SIR projector at the meeting, allowing time for your questions and comments. Following the two presentations, **Dick Curry** will lead an informative Computer Q&A session.

Whether you are a beginner or a seasoned user, we try to offer something for everyone. We serve coffee and pastries and all SIR members and their guests are welcome.

## Fishing

Sal Costanza

*4th Thursday at 8:30 am. at Diablo Creek Golf Course (Legends Grill). North Port Chicago Hwy*

All SIR members and guests are welcome and, indeed, encouraged to participate in fishing trips as well as attend the monthly meetings. In September, **Kent Cremolini** shared his experiences and knowledge on San Diego long range fishing trips. In October **Paul Dubow** will provide a colorful and exciting description of fishing in British Columbia for Salmon and Halibut.

**Dick Thomson, Joe Peterson, and Carl Moyer** fished the bay for halibut on 3 occasions, catching a total of 9 delicious fish to 12 pounds. **Bob Kahl** fished a very low and unproductive Little Truckee stream. **Karl Droese** led **Romano Gnusti, Tom Boltz, and Paul Dobow** on yet another very successful trip to Lake Tahoe. **Romano** landed a beautiful 13 pound Mackinaw Trout, and everybody caught many other gorgeous Macks. **Sal Costanza** fished the same lake 3 other times catching Mackinaws to 23 inches, and some very feisty rainbows to 24 inches. **Carl Moyer** found a calm day on the bay, and fishing solo by the Berkeley pier trolled up 2 Halibut, 13 and 8 pounds. **Carl** was not so lucky fishing Montezuma with a friend for sturgeon, catching only a very pitiful 15 incher. **Dick Thomson, Harry Sherinian, and Joe Karg** fished the ocean with **Carl** for lots of many colored rockfish. The seemingly eternal wind kept **Craig Walton** and **Joe Peterson** woefully looking at the Sacramento River, where they would love to be fishing.

We will be very busy in the future with trout fishing in the Eastern Sierras; tuna and bill fish in Mexico; striped bass and halibut in the bay; trolling and fly fishing for trout at Lake Davis; crab and sand dab or rock cod on the ocean, delta fishing for striped bass and sturgeon, and trout fishing in our local lakes. If you haven't been fishing in a while, but might like to test drive an adventure, come on down to our next meeting.

Next meeting will be Thursday, October 23<sup>rd</sup>, at the Legend Sports Bar and Grill at the Diablo Creek Golf Course at 4050 Port Chicago Highway in Concord. Meeting starts at 8:30 am. For further information, please contact **Craig Walton** (Big Fish) (925-937-4876;) **Carl Moyer** (Branch 8 Coordinator) (925-685-5243;) or **Joe Peterson** (Treasurer/Secretary)(916-777-5363.)

**Explore and Dine John Pearl**

Explore and Dine had their first "away" outing in August, visiting the Ming Dynasty collection at the San Francisco Asian Art Museum. This collection and the San Francisco exhibit is made up of pieces from multiple Chinese museums, and took several years to put together. We got an early tour with a docent who showed us some of the most important pieces in the display. We took our picture in front of a window mural on the main floor of the museum, which was "converted" from being the former main library for the city. We then "strolled" a few blocks over to the Hayes Street Grill and had some excellent food. Most of us took BART, which seemed to work pretty well (Walnut Creek parking is tough!)

While we're skipping September, we are still planning to visit Benicia on Thursday, October 30, and having guided tours of the former capital and the adjacent **Fischer-Hanlon House**. The California budget crisis is affecting the staffing there, so we won't know if the facilities will be available until October. They do use a lot of volunteers. This outing will be a little different, as we will probably have lunch first, and then the tours, as that is when they are available.

The Solvang Tournament Sept 14 -17 was a rousing success. Nearly 90 SIR golfers and 30 ladies competed in the two-day event. **Jim** and **Judy Baldrige**, **Ron** and **Anne Plachy** and **Gene Diana** represented Br. 146. While our ladies finished in the money our SIRs only got to cheer for others at the awards banquet. Because of the great turnout the State Golf Committee will look at having this event again next year.

Next up for travel events will be the seven-day stay at the new Riu Santa Fe Resort in Cabo San Lucas Mexico October 18-25. The tournament is done in a shotgun/scramble format over three days at three different courses. Details and prices are on the sirinc.org website. Our own **Dick Richmond** will be one of the hosts on this trip.

On November 3rd and 4th the 2008 SIR State Golf Championship Tournament will be held at Poppy Hills Golf Course in Monterey. There will be two days of individual stroke play with openings for 144 players. Seventy of the slots on Monday Nov 3 will be filled with SIRs who have qualified at local levels, the other 74 spots are used for open play. On Tuesday Nov 4 all 144 spots are used for open play. We are told that there are still some open spots available. The cost is \$85. For details, contact **Gene Drennan** 530 873 3377

For details visit the sirinc.org website. I also have copies of the entry forms for Poppy Hills, Cabo San Lucas and the Mexican Cruise, In my article for the September Call I asked if there were other Br 146 SIRs who would be interested in working on Away Golf. The response was great. **Bob Lyman**, **Ray Kan** and **Ron Plachy** have all expressed interest. We will be looking at scheduling some additional local Away Golf events in the last quarter that fit into our busy end of year calendars and don't conflict with planned trips.

The game and jargon of poker have become an important part of American culture. Phrases as: ace in the hole, ace up ones sleeve, high roller, poker face, etc. are used in everyday conversation. Their origins are from the poker table.
